Registration and additional course information can be found on our NEW course website:
https://ce.mayo.edu/node/8320
Course Description
The diagnosis and management of many urologic conditions has been influenced by recent medical, surgical and technological advances in the field. This course will make use of the world class urologic surgical expertise present at the three Mayo Clinic sites in Rochester, MN; Scottsdale, AZ; and Jacksonville, FL to provide community and academic urologists with a comprehensive update on the field of clinical urology. The clinician will benefit from an update on novel therapies for various urologic conditions: prostate cancer, kidney cancer, bladder cancer, men's sexual health, BPH and incontinence.

Course Learning Objectives
Upon conclusion of this program, participants should be able to:
• Describe the current modalities for risk stratification of patients with newly-diagnosed prostate cancer.
• Discuss the proper use of image-guided focal prostate therapy for prostate cancer.
• Assess modern day prostatectomy: Robotic vs open surgery – Individualizing approaches to maximize urinary continence and erectile function and appropriate rehabilitation strategies for each.
• Determine optimal approaches for high grade prostate cancer. Surgery vs. Radiation and timing of adjuvant/neoadjuvant therapy.
• Evaluate recent advances in systemic therapy for advanced prostate carcinoma.
• Identify the roles of adjuvant and salvage therapies for patients with biochemical recurrence after radical prostatectomy.
• Recognize the various surgical and medical strategies for Peyronie’s disease, and determine the appropriate timing and selection of each in order to maximize treatment approach.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Intended Audience
This course is designed for physicians: general urologists, robotic surgeons, oncologists and radiation oncologists specializing throughout the spectrum of clinical urology.

Credit
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Grants and Exhibits
At the time of this printing, a complete listing of commercial supporters (financial or in-kind) was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting. Exhibits will be available for viewing at all scheduled breaks.

Registration
To register, visit https://ce.mayo.edu/node/8320. The registration fee includes tuition, electronic course syllabus, continental breakfasts and break refreshments. Although it is not Mayo School of Continuous Professional Development (CPD) policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form.

Cancellation Policy
If you cancel your participation in this course, your registration fee, less a $75 administrative fee, will be refunded when written notification is received by Mayo School of CPD on or before Monday, February 6, 2017 (cme-jax@mayo.edu). No refunds will be made after Monday, February 6, 2017. Canceled registrations are non-transferable.

Mayo School of CPD reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event Mayo School of CPD must cancel or postpone this course, Mayo School of CPD will refund the registration fee, but is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

Meeting Location & Accommodations

Atlantis Paradise Island Resort
One Casino Drive
Paradise Island, GRB, Bahamas
1-888-877-7525

*Travel to Nassau Bahamas requires a verified passport

Atlantis Paradise Island Resort is offering rooms starting at $249.00 per night (plus applicable taxes) for attendees and their guests. In order to receive the special rate, reservations must be made before the room block is full or before the expiration date of Wednesday, January 18, 2017, whichever comes first. Reservations can be made at https://aws.passkey.com/event/13970416/owner/12844514/home or by calling 1-888-877-7525 or 954-809-2100 and asking for the Mayo Clinic Urology group rate.

Mayo School of CPD is not responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at the meeting. Costs incurred by the registrant such as airline or hotel fees or penalties are the responsibility of the registrant.

PROGRAM AGENDA

Monday, February 20, 2017
7:00 a.m.  Registration and Continental Breakfast
7:45  Introduction/Pretest
8:00  PSA Screening Update: Who, What, When, Where Julio C. Gundian, Jr., M.D.
8:20  MRI Prostate: Imaging Basics Candice W. Bolan, M.D.
8:40  Fusion Prostate Biopsy: Technique and Results Enhancement Todd C. Igel, M.D.
9:00  Molecular Tools for Use in Prostate Cancer Decision Making R. Jeff Karnes, M.D.
9:20  Uses of MRI and Fusion Biopsy: Applications in Clinical Practice Todd C. Igel, M.D.
9:35  Q&A Panel Discussion: Moderator - Paul E. Andrews, M.D.
10:00  Break
10:20  Peyronies Disease: Can Medical Management Cure this Disease? Hossein Sadeghi-Nejad, M.D., F.A.C.S.
10:35  Peyronies Disease Surgery: Who and How? Gregory A. Broderick, M.D.
10:55  Revision Penile Prosthetic Surgery Christopher E. Wolter, M.D.
11:10  Primary vs. Secondary Hypogonadism: Should All Men be Treated? Hossein Sadeghi-Nejad, M.D., F.A.C.S.
11:30  Q&A Panel Discussion/Cases: Moderator - Gregory A. Broderick, M.D.
Is Robotic Prostatectomy Really Superior to Open Prostatectomy? Robert G. Ferrigni, M.D.
Surgical Management of Prostate Cancer Recurrence R. Jeffrey Karnes, M.D.
Update on Pelvic Lymph Node Dissection: Technique and Maximizing Outcomes Matthew K. Tollefson, M.D.
Adjuvant vs. Salvage Radiotherapy for High Risk Prostate Cancer Katherine S. Tzou, M.D.
Urologist Role in Management of Advanced Prostate Cancer Scott B. Sellinger, M.D.
Q&A Panel Discussion: Moderator - R. Houston Thompson, M.D.
Matthew T. Gettman, M.D., Robert G. Ferrigni, M.D., R. Jeffrey Karnes, M.D., Matthew K. Tollefson, M.D., Michael J. Wehle, M.D. and Katherine S. Tzou, M.D.
Break
Update on the Medical Management of BPH Robert G. Ferrigni, M.D.
Modernizing Medical Refractory BPH Therapy Lance A. Mynderse, M.D.
Laser Therapy for Benign Prostate Hyperplasia Mitchell R. Humphreys, M.D.
Q&A Panel Discussion: Moderator Lance A. Mynderse, M.D.
Robert G. Ferrigni, M.D., Lance A. Mynderse, M.D., Mitchell R. Humphreys, M.D., and Michael J. Wehle, M.D.
12:10 p.m.  Adjourn

Tuesday, February 21, 2017
7:30 a.m.  Continental Breakfast
7:50  Introduction
8:00  Update on Robotic Assisted Radical Prostatectomy: Techniques for Maximizing Outcomes Matthew T. Gettman, M.D.
8:25  Small Renal Masses: Where are we Currently? R. Houston Thompson, M.D.
8:40  Robotic Partial Nephrectomy: Optimizing Outcomes David D. Thiel, M.D.
9:00  Update in Cytoreductive Nephrectomy and Metastasectomy Bradley C. Leibovitch, M.D.
Noon  Adjourn

Wednesday, February 22, 2017
7:30 a.m.  Continental Breakfast
7:50  Introduction
8:00  Small Renal Masses: Where are we Currently? R. Houston Thompson, M.D.
8:20  Update on Ablation for Small Renal Masses Gregory Frey, M.D.
8:40  Robotic Partial Nephrectomy: Optimizing Outcomes David D. Thiel, M.D.
9:00  Update in Cytoreductive Nephrectomy and Metastasectomy Bradley C. Leibovitch, M.D.
12:10 p.m.  Adjourn
Laparoscopic Nephrectomy and Nephroureterectomy  
Paul E. Andrews, M.D.

Q&A Panel Discussion:  
Moderator – Erik P. Castle, M.D.  
R. Houston Thompson, M.D., Gregory Frey, M.D., David D. Thiel, M.D., Bradley C. Leibovich, M.D. and Paul E. Andrews, M.D.

Break

PNL vs. Ureteroscopy for Calculi between 2-4 cm.  
Mitchell R. Humphreys, M.D.

Ureteroscopy: Tips and Tricks: For Novice and Experienced  
Raymond W. Pak, M.D., M.B.A.

From Dusting to Popcorn: The Proper Laser Settings for Various Stones  
Michael N. Ferrandino, M.D.

Update in Urinary Stone Imaging  
Michael N. Ferrandino, M.D.

Q&A Panel Discussion:  
Moderator - Michael N. Ferrandino, M.D.  
Mitchell R. Humphreys, M.D., Raymond W. Pak, M.D., M.B.A. and Michael N. Ferrandino, M.D.

Continental Breakfast

Introduction  
Igor Frank, M.D.

Robotic Cystectomy: Novice to Expert in 30 Minutes  
Erik P. Castle, M.D.

Transition from Open Cystectomy to Robotic Cystectomy: Pearls  
Paul R. Young, M.D.

Bladder Sparing Therapy for Non-Muscle Invasive Bladder Cancer: A to Z and BCG  
Michael E. Woods, M.D.

Competing Comorbidities in Bladder Cancer  
Matthew K. Tollefson, M.D.

Chemotherapy for Muscle Invasive Bladder Cancer: To Start...to End...and Possibly Again  
Richard W. Joseph, M.D.

Q&A Panel Discussion:  
Moderator Igor Frank, M.D.  
Erik P. Castle, M.D., Paul R. Young, M.D., Michael Woods, M.D., Matthew K. Tollefson, M.D. and Richard W. Joseph, M.D.

Break

Managing Complications of Robotic/Laparoscopic Surgery  
Erik P. Castle, M.D.

Video Return Visits in Urology  
Matthew T. Gettman, M.D.

Future of Personalized Medicine in Urologic Oncology  
Alexander S. Parker, Ph.D.

Vesicoureteral Reflux in Adults: When Does This Pediatric Condition Need Treated in Adults and How  
Abby S. Taylor, M.D.

Q&A Panel Discussion:  
Erik P. Castle, M.D., Matthew T. Gettman, M.D., Alexander S. Parker, Ph.D. and Abby S. Taylor, M.D.

7:30 a.m.  
Continental Breakfast

8:00  
Robotic Cystectomy: Novice to Expert in 30 Minutes  
Erik P. Castle, M.D.

9:00  
Future Robotic Platforms  
Raymond W. Pak, M.D., M.B.A.

9:20  
Optimizing Urethral Sling and Artificial Urinary Sphincter for Urinary Incontinence  
Steven P. Petrou, M.D.

9:40  
Q&A Panel Discussion:  
Igor Frank, M.D., Michael Woods, M.D., David D. Thiel, M.D., Raymond W. Pak, M.D., M.B.A. and Steven P. Petrou, M.D.

Break

Future of Personalized Medicine in Urologic Oncology  
Alexander S. Parker, Ph.D.

Vesicoureteral Reflux in Adults: When Does This Pediatric Condition Need Treated in Adults and How  
Abby S. Taylor, M.D.

Q&A Panel Discussion:  
Erik P. Castle, M.D., Matthew T. Gettman, M.D., Alexander S. Parker, Ph.D. and Abby S. Taylor, M.D.

Faculty Disclosure

As a provider accredited by ACCME, Mayo Clinic College of Medicine (Mayo School of Continuous Professional Development) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director(s), planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of this information will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

National Physician Payment Transparency Program

Mayo Clinic College of Medicine complies with the requirements of the National Physician Payment Transparency Program OPEN PAYMENTS (Physician Payments Sunshine Act).
