CLINICAL PHARMACOGENOMICS: A CASE-BASED APPROACH FOR YOUR PRACTICE

MAYO CLINIC
JACKSONVILLE, FL
JUNE 8, 2019

CE.MAYO.EDU/PGX2019
COURSE HIGHLIGHTS

- A multidisciplinary course review of pharmacogenomics (PGx) testing and its application to clinical practice.
- Hear cased-based sessions and foundational lectures designed by the experts for the busy clinician.
- Offering AMA and ACPE credit as well as an optional ABIM MOC portion.

TARGET AUDIENCE

This course is designed by and for physicians, pharmacists, nurse practitioners, physician assistants and any other member of the health care team who want to learn how to apply pharmacogenomics to their clinical practice.

LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Discuss the foundational pharmacogenomics principles.
- Define basic genetic/genomic concepts and nomenclature.
- Evaluate existing evidence and guidelines for use in clinical decision making.
- Describe the considerations for selecting a pharmacogenomics test based on an individual clinical scenario.
- Apply pharmacogenomic test results to make recommendations for an individualized medication management plan.

Kinne Auditorium
Mayo Clinic
4500 San Pablo Road
Jacksonville, Florida 32224

CANCELLATION POLICY
Please visit ce.mayo.edu/cancellation for more information.

PROGRAM AT-A-GLANCE
Topics will include:
- Evolving Field of PGx
- PGx 101
- Pharmacogenomics: Clinical Laboratory Testing
- Interpreting Reports
- Current Challenges in PGx
- PGx & Practice: A Clinician’s Perspective
- Considerations for the Clinician Implementing PGx
- Featuring cases from: Neurology, Chemotherapy, Breast Clinic, Psychiatry, Gastroenterology, Cardiology, Surgery/Transplant, Pain Medicine

EXHIBITS
See ce.mayo.edu/pgx2019 for more information.

CREDIT
Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 8.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACPE
Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 8.0 ACPE Knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC – Additional Registration Fee $50
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 8.0 medical knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Participation information will be shared with ABIM through PARS.
