Join us in Boston, MA for Complimentary Educational Symposium

Incorporating New Echocardiographic Technology into Contemporary Clinical Practice

Program Directors: Drs. Sunil V. Mankad and Hector R. Villarraga

Friday, June 12, 2015
The Westin Copley Place
10 Huntington Ave
Boston, MA

Location: America South Ballroom
Registration: On-site in Boston at The Westin Copley Place – Limited Attendance
There is no charge for this activity.

5:30 p.m. Registration and Buffet Dinner
6:25 p.m. Session Begins
8:30 p.m. Adjourn

Course Description:
This program will include short case presentations illustrating the use of novel echocardiographic techniques followed by concise, clinically relevant discussion. The faculty consists of experts in echocardiography, with a focus on 3-D echocardiography, strain imaging, and contrast echocardiography.

Target Audience:
This course is designed for cardiologists, cardiac surgeons, internists, sonographers, pathologists, cardiovascular fellows, nurses, and physician’s assistants with roles in the diagnosis, assessment, understanding, and management of oncology patients, patients with cardiomypathy including amyloid and hypertrophic cardiomypathy, patients undergoing echocardiographic guided procedures in the catheterization laboratory, and patients in whom contrast echocardiography will improve quality and value.

For general Mayo Clinic Information and Mayo Clinic Cardiovascular Self Study Tutorials, visit booth #716.

Sponsored by Mayo Clinic Division of Cardiovascular Diseases
This event is not a part of the official ASE 26th Annual Scientific Sessions, as planned by the Program Committee, or in any way endorsed or affiliated with ASE. For more information and to register for ASE 2015, please visit www.asescientificsessions.org.
Incorporating New Echocardiographic Technology into Contemporary Clinical Practice

Friday, June 12, 2015
The Westin Copley Place
10 Huntington Ave
Boston, MA

Program Directors
Sunil V. Mankad
Hector R. Villarraga

OBJECTIVES:
• Review the importance of comprehensive echocardiographic evaluation, including 3-D, contrast, Doppler, and Strain
• Examine the benefits of echocardiography improving quality and value in a busy echocardiographic practice
• Demonstrate the role of 3-D echocardiography in guiding interventional procedures
• Review the role of strain imaging in cardio-oncology and in the assessment of cardiomyopathies as well as in the evaluation of right ventricular function

CREDIT:
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of 2.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Health Care Professionals
A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations

PROGRAM SCHEDULE:
5:30 p.m.  Registration and Buffet Dinner
5:55 p.m.  Welcome and Introductions
Dr. Patricia A. Pellikka
6:00 p.m.  Practical Application of 3-D Echocardiography in Daily Clinical Practice
Dr. Sunil V. Mankad
6:25 p.m.  Role of 3-D Echocardiography for Guiding Structural Heart Interventions
Dr. Sorin V. Pislaru
6:50 p.m.  Cutting Edge Contrast Echocardiography: Pushing the Envelope
Dr. Sharon L. Mulvagh
7:15 p.m.  Strain Imaging: Is It Ready for Prime Time?
Dr. Hector R. Villarraga
7:40 p.m.  Putting It All Together. How to Incorporate New Technologies Into A Busy Practice: Tips and Tricks
Dr. Fletcher A. Miller, Jr.
8:05 p.m.  Panel Discussion
8:30 p.m.  Closing Remarks and Adjourn

For general Mayo Clinic Information and Mayo Clinic Cardiovascular Self Study Tutorials, visit booth #716.
