$75 DISCOUNT IF YOU REGISTER ON OR BEFORE OCT 15, 2019
COURSE DESCRIPTION
Nationally and internationally renowned faculty provide a state-of-the-art update on the latest treatment options for patients with hepato-pancreatico-biliary cancers. The program is designed to provide a multidisciplinary overview on the importance of early diagnosis and treatment considerations, including surgery, radiation, locoregional approaches, and systemic therapies. There will be an emphasis on implementation of these approaches into clinical practice.

TARGET AUDIENCE
This course is intended for surgeons, gastroenterologists, medical and radiation oncologists, laboratory scientists, physician assistants, nurse practitioners, registered nurses, oncology pharmacists, oncology nurses and clinical research personnel. Specialties include: medical oncology, hematology, gastroenterology, radiation oncology, surgical oncology, pathology, radiology, and laboratory research science.

LEARNING OBJECTIVES
Upon conclusion of this program, participants should be able to:
• Identify patients with advanced pancreatic cancer that may benefit from surgery.
• Describe the role of preventive and therapeutic vaccines in the treatment of liver and biliary cancers.
• Identify current and emerging strategies for early diagnosis and surveillance of liver cancer.
• Identify patients suitable for a liver transplant.
• Integrate novel agents in clinical care and clinical trial participation.
• Describe molecular biology of pancreatic liver and biliary cancers.
• Recognize the appropriate regimen for first and second line therapy in treating advanced pancreatic cancer, liver and biliary cancer.
• Describe the latest state of the science in pancreatic cancer, liver and biliary cancer.

CREDIT
In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA: Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 13 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC: Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 13 ANCC nursing contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AOA: The American Osteopathic Association designates this program for a maximum of 13 AOA Category 2-A credits.

Other Healthcare Professionals: A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
