COURSE HIGHLIGHTS
The 2017 Clinical Reviews course is designed for Primary Care and Internal Medicine providers. This four-day course offers grouped talks by topic in the General Session, Q & A sessions; afternoon workshops in parallel with topics, plus ABIM maintenance of certification and ABFM Knowledge Self-Assessment. A multidisciplinary faculty representing Mayo Clinic’s Florida, Rochester and Arizona sites provide state-of-the-art updates in topics like: cardiology, endocrinology, neurology, pediatrics, urology, and women’s health. The course has a Steering Committee that includes non-Mayo local physicians, who participate in the course planning and bring insight on what family medicine and internal medicine physicians face on a day to day basis.

Plus Optional Sessions (Separate Registration Fee Is Required):
• ABIM Maintenance of Certification (Hospital Medicine and Internal Medicine)
• ABFM Knowledge Self-Assessment Module (Heart Failure)

LEARNING OBJECTIVES
Upon conclusion of this program, participants should be able to:
• Apply the latest guidelines on opiate prescribing.
• Identify common eating disorders in the pediatric population.
• Review recent guidelines on sleep hours duration.
• Review the diagnosis and management of ADHD.
• Appraise the benefits and limitations of platelet-rich plasma injections for musculoskeletal injuries.
• Review an update on travel medicine, including key indications for various immunizations and prophylactic medications.
• Review current guidelines on colon cancer screening and a new DNA testing option.
• Utilize Dermoscopy in assessing skin lesions.
• Review and update on the medical and surgical management of diverticulitis.
• Review current treatment options for patients with diabetes.
• Review the evaluation of cognitive impairment.
• Utilize appropriate testing in the evaluation of thyroid nodules.
• Review the evaluation of the fatigued patient.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

**MAINTENANCE OF CERTIFICATION**

- **American Board of Internal Medicine (ABIM)**
  
  2016 Update in Hospital-Based Medicine and 2016 Update in Internal Medicine
  
  Friday, March 24, 2017 from 1:00 - 5:00 p.m. – Registration Fee: $100

**COURSE DESCRIPTION**

The optional post-course ABIM Self Evaluation Process (SEP) Medical Knowledge modules are chaired by expert faculty who will analyze each module question, review current evidence and key points and summarize clinical pearls. Session attendees actively participate using an audience response system and verbalize their understanding of current evidence and a common consensus would be achieved in answering these questions. The collective information gathered in these interactive sessions enhances individual knowledge and longer retention of current medical information. After the completion of these interactive modules, the attendee can go online to obtain MOC credit from ABIM. An additional fee applies.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

**CREDIT**

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of 4.0 AMA PRA Category 1 Credits™ (2 credits per module). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA

This program has been accredited by the American Osteopathic Association for 4 credits of AOA Category 2-A.

Please note: You may claim AMA PRA Category 1 Credits™, or ABIM points. You may not claim credit with both organizations.

---

- **American Board of Family Medicine (ABFM)**

  Heart Failure Knowledge Self-Assessment (KSA)
  
  Friday, March 24, 2017 from 1:00 - 5:00 p.m. – Registration Fee: $100

**COURSE DESCRIPTION**

In this group learning experience, attendees will work together, facilitated by expert Mayo Clinic faculty, to review and discuss core competency questions and to decide as a group on the best answers. After completing the session, Mayo staff will report the group’s answers and individual’s participation to the ABFM. Later, participants must individually access the ABFM web site, pay the necessary fees, and complete the clinical simulation section (which presents patient care scenarios corresponding to the topic module) in order to complete and receive final credit for the KSA.

Intended Audience: Family Medicine physicians who are diplomats of the ABFM.

Attention Learners: Please provide ABFM ID# or AAFP ID# when checking at the course registration desk.

**CREDIT**

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
