94th Annual Clinical Reviews – Online

Activity Description
The 94th Annual Clinical Reviews seeks to update primary care providers on the latest recommendations involving medical subspecialties. The course provides a comprehensive program of lectures on topics of general interest in medicine, surgery, and pediatrics relevant to clinical practice.

Target Audience
This course is designed for physicians, nurse practitioners, physician assistants, and nurses practicing in primary care, family medicine, and internal medicine.

Learning Objectives
Upon conclusion of this activity, participants should be able to:

- Describe the interventions that are most likely to prevent vascular disease.
- Describe the appropriate immunizations administered to children and adults for protection against preventable, infectious diseases.
- Formulate a management approach for a patient with asthma.
- Formulate a cost-effective approach for evaluation of anemia.

Participation in this Mayo Clinic online course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement
In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)
AMA
The Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 12.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals
A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

Disclosure Summary
As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.
