Mayo Clinic School of Continuous Professional Development

TWO COURSES ONE REGISTRATION!

ENT UPDATE 2019 & TACKLING PROBLEMATIC SINUSITIS 2019

COURSE HIGHLIGHTS

• This tri-site Mayo Clinic course provides pearls for the busy clinician distilling two symposia in one unique course
• ENT Update symposium provides a state-of-the-art review for head and neck, sleep medicine, otology, laryngology, facial plastic surgery and pediatric otolaryngology disease
• Tackling Problematic Sinusitis symposium provides practical approaches in endoscopic sinus surgery, basic skull base procedures, frontal sinus surgery, and medical management of recalcitrant sinusitis and nasal pathology, as well as a live surgical prosection
• Honored international faculty: Prof. Valerie Lund and Prof. David Howard, United Kingdom

HILTON SEDONA RESORT AT BELL ROCK
SEDONA, ARIZONA
MARCH 20–23, 2019

CE.MAYO.EDU/ENTSINUSITIS2019
COURSE DESCRIPTION
Mayo Clinic presents two parallel symposia with one registration!

• The third annual “ENT Update 2019” symposium will provide a state-of-the-art review of clinical updates pertinent to the practice of general otolaryngology. Mayo Clinic and guest faculty will cover all subspecialties, including head and neck, sleep medicine, otology, laryngology, facial plastic surgery and pediatric otolaryngology.

• The eighth annual “Tackling Problematic Sinusitis 2019” symposium will run concurrent sessions that share optimal strategies in endoscopic sinus surgery, frontal sinus surgery, basic skull base procedures, medical management of recalcitrant sinusitis and nasal pathology, as well as a live surgical prosection. Honored international guest faculty includes Prof. Valerie Lund and Prof. David Howard of the United Kingdom.

This combined course with parallel sessions optimizes value for the busy clinician – choose to attend any session that best meets your needs! We invite you to join us for an absolutely unique learning experience in the spectacular and serene town of Sedona, Arizona.

LEARNING OBJECTIVES
Upon completion of this activity, participants should be able to:
• Describe practical tests to subtype chronic rhinosinusitis
• Select optimal medical treatments based on chronic rhinosinusitis subtyping
• Identify factors associated with primary sinus surgery failure
• Perform optimal revision surgeries for chronic rhinosinusitis
• Identify and treat pediatric sinusitis and tonsillitis
• Describe the latest updates in transoral laser and transoral robotic surgeries
• Recommend treatments for vocal cord paralysis and vocal cord carcinoma
• Assess challenges in facial plastics and base of skull surgeries

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE
Practicing otolaryngologists, physician assistants and nurse practitioners in ENT, audiologists and speech language pathologists, and nurses with a strong interest in ENT care.

REGISTRATION
Visit the course website for more information on registering and our cancellation policy.
