Dear Representative:

We are pleased to announce that Mayo Clinic and the Mayo School of Continuing Medical Education are sponsoring the *Multidisciplinary Update in Pulmonary and Critical Care Medicine* course to be held at The Omni Scottsdale Resort & Spa, Scottsdale, Arizona scheduled for April 7-10, 2016.

As you can see from the enclosed program, we have developed another quality course for the coming year. We have been fortunate to include a multidisciplinary faculty from Mayo Clinic in Jacksonville, Florida, Rochester, Minnesota, and Scottsdale/Phoenix, Arizona to provide a state-of-the-art update in pulmonary and critical care medicine. Highlights include: comprehensive approach to the current evaluation, treatment, and management of various respiratory diseases; pulmonary literature review; and case studies. The intended audience will be approximately 130 pulmonary physicians, internists, hospitalists, and specialists in critical care medicine.

Mayo Clinic a non-profit organization is committed to meeting its responsibility as a national medical educational resource. Our CME programs are designed to provide new knowledge, assist in the acquisition and maintenance of professional skills, as well as encourage and facilitate scholarly development of physicians. Mayo Clinic College of Medicine designates this live activity for a maximum of 17.25 AMA PRA Category 1 Credits™.

As course co-directors, we are hopeful you will be able to participate as an exhibitor for the exhibit fee of $2,000. The exhibit fee includes a 6’ table for table top display and acknowledgment during the course with both signage and announcements.
