Dear Representative,

On behalf of Mayo Clinic and Mayo School of Continuous Professional Development, we are pleased to announce “Mayo Clinic Gastroenterology and Hepatology 2016” will be held February 25-28, 2016 at the Westin Kierland Resort in Scottsdale, Arizona. We invite you and your company to exhibit at this popular continuing medical education activity. The exhibit fee is $4,000. Space is limited; early registration is advised.

We expect over 200 gastroenterologists and hepatologists from across the United States to attend this course which includes didactic presentations supplemented with videos, case presentations, panel discussions, lunch breakout sessions, and use of an interactive audience response system. We also are excited about utilizing a course mobile app this year. Optional educational activities offered include an ABIM Maintenance of Certification learning session; hands-on endoscopy workshop, and an afternoon session designed for advanced practice professionals. A course brochure is attached for your perusal.

As you can see from the enclosed program, we have developed another outstanding course which includes the following topics:

- Hepatology
- Esophagus, General GI and Motility
- Inflammatory Bowel Disease
- Colorectal Neoplasia
- Pancreaticobiliary Disorders
- Advanced Endoscopy with Video Cases

To maintain a clear separation of promotion from education, all exhibits will be held in a location adjacent to where the educational sessions will be held. One skirted, six foot table and two chairs will be provided for each display. Dedicated exhibit time is during the breakfast and mid-morning break each day. For your planning purposes, no more than two representatives may staff the display at any time.

If you will participate, please complete the attached exhibitor agreement and return it with your payment (made payable to Mayo Clinic in Arizona) to Mayo School of Continuous Professional Development, Attn: Kristy Badder, 13400 East Shea Boulevard, Scottsdale, AZ 85259. Please denote course activity #2016S812 on all correspondence. Mayo Clinic’s Tax ID number is 86-0800150; our W-9 form is attached for your convenience.

On behalf of Mayo Clinic’s Division of Gastroenterology and Hepatology, we hope you will join us in February in Scottsdale.

Sincerely,

7. List account number(s) here (optional)

Part I: Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

Part II: Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and

2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

3. I am a U.S. citizen or other U.S. person (defined below); and

4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.
