Dear Representative,

On behalf of Mayo Clinic and Mayo School of Continuous Professional Development, we are writing to request your consideration to exhibit at the Mayo Clinic Advances in Vaginal Hysterectomy and Associated Procedures continuing medical education course which will be held Oct. 7 - 8, 2016 at the Waugh Auditorium in Phoenix, Arizona. We expect approximately 75 urogynecologists, urologic surgeons, urologists, general gynecologists and other medical practitioners from across the United States and Canada to attend. As course co-directors, we are hopeful you will be able to participate as a commercial supporter.

We have designed and are very excited about this excellent course which includes topics focusing on the latest techniques in vaginal hysterectomy and associated procedures. Expert surgeons will discuss step-by-step techniques that will subsequently be re-emphasized in video and live surgery format to aid learning. New technologies that facilitate vaginal surgery will be presented. Faculty will supplement didactic lectures with video presentations to enhance the learning experience for course attendees. Surgical case presentations, panel discussions and question-and-answer sessions with faculty also will be included in the program.

Our CME programs are designed to provide new knowledge, assist in the acquisition and maintenance of professional skills, as well as encourage and facilitate scholarly development of physicians. Mayo Clinic, an integrated, not-for-profit group practice, is committed to meeting its responsibility as a national medical education resource and is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. 15.50 AMA PRA Category 1 Credit™ will be offered as well as the American College of Obstetricians and Gynecologists (ACOG).

The exhibit fee is $1,500. Space is limited; early registration is encouraged. To maintain a clear separation of promotion from education, all exhibits will be held in a different room/location than where the general sessions are held. Exhibits are open from registration until the conclusion of the final lecture on the last day. Exhibit fee will include a 6’ skirted table for a table top display; attendee list including name, degree, city, state to be distributed at the course; and acknowledgement with signage and announcements during the course.

If you will participate, please complete the attached exhibitor agreement and return it with your payment (made payable to Mayo Clinic Arizona) to Mayo School of Continuous Professional Development, Attn: Kristy Badder, 13400 East Shea Boulevard, Scottsdale, AZ 85259. Please denote course activity #2016S647 on all correspondence. Mayo Clinic’s Tax ID number is 86-0800150; our W-9 form is attached for your convenience.

Our programs provide valuable information on unmet needs to the medical community. We appreciate your consideration of our request and hope you will participate in this outstanding educational program.

Sincerely,

Jeffrey L. Cornella, M.D.
