

Guidelines for Abstract Submission

The International Conference on Large Vessel Vasculitis and Related Disorders is currently accepting abstract submissions. Poster viewing will be during the welcome reception on Thursday, March 15 and during breaks on Friday, March 16 and Saturday, March 17. Abstracts selected for oral presentations will present Friday, March 16 in the afternoon and Saturday, March 17 in the morning.

Your abstract submission must contain the following sections:

- Title is limited to 20 words
- The abstract is limited to 500 words (not including title and author information)
- Write out all words upon first reference, followed by abbreviations in parenthesis
- Include references as appropriate
- List all authors including name, location and email address for each person

Additional poster information:

- Poster size should be 6 feet wide x 4 feet tall (180 cm wide x 120 cm tall)
- We will supply material to hang your poster
- The deadline for submitting abstracts is **December 31, 2017**
- Submit your abstract to schilling.catherine@mayo.edu.
- Authors will be notified by **January 15, 2018** if their abstract has been accepted as a poster or oral presentation. Information on hanging the poster will be given at the time of notification.
- Unpublished work previously presented as an abstract is acceptable.
- Conference registration is required for accepted poster abstracts.
- A PDF of your poster is required to post on the registration website for the attendees to view. The due date is **February 28, 2018**. Send your PDF to schilling.catherine@mayo.edu.
- Contact Koenigs.kari@mayo.edu if you have any questions.
