

# 12<sup>th</sup> International Conference on Frontotemporal Dementias and 1<sup>st</sup> International Society for Frontotemporal Dementia Congress (ICFTD2020)

October 7-10, 2020  
Minneapolis Hilton, Minneapolis, Minnesota

## *Call for Abstracts*

You are invited to submit an abstract for presentation of original research dedicated to the field of frontotemporal dementia/frontotemporal lobar degeneration. Projects may include research in basic or clinical science, clinical trials, outcome studies, or descriptive analyses. Abstracts should be 350 words or less.

**Abstract Eligibility:** Original abstracts that either have or have not been presented at other meetings will be considered. Previously published abstracts should be sufficiently modified.

**Topic Areas:** Abstracts will be categorized the following topic areas:

- Clinical/neuropsychology
- Neuroimaging
- Genetics
- Biofluid (CSF, blood, etc.) biomarkers
- Neuropathology
- Molecular biology (cellular, animal models, etc)
- Treatment/management (drug and non-drug strategies)
- Dementia and caregiver support, care, practice, and quality of life

**Number of Entries:** A participant may be the primary author on no more than two abstracts; however, he or she may be a contributing author on any number of abstracts.

**Deadline:** Abstract submission deadline is 11:59 pm Central Daylight Time (CDT) on **May 4, 2020**.

**Notification of Results:** All primary authors will be notified by **June 1, 2020**, if their submission has been selected for the oral/platform or poster session, and the details regarding platform presentation and poster set-up will follow.

**Printing of Abstracts:** Abstracts chosen for platform and poster presentation will be uploaded to the conference website and published in the journal *[American Journal of Neurodegenerative Disease](#)*. No editing will be done prior to the printing; however, formatting changes may be required.

**Submission Link:** Submit abstract [online here](#).

**Conference Registration Requirement:** Paid conference registration is required for accepted abstracts. Registration will be open in early 2020. Please check the [conference website](#) for more information.

**Travel Awards:** Trainees and junior faculty will be eligible to apply for travel awards, which will cover conference registration, reasonable airfare costs, and hotel expenses. More information on the application process will be posted to the [conference website](#) in the summer of 2020.
