MAYO CLINIC
ROCHESTER, MINNESOTA
NOVEMBER 8, 2018

COURSE OVERVIEW

A one-day program that provides current information on the care of the elderly including clinical evaluation, management strategies and innovative practice models to family practitioners, internists, general practitioners, advanced nurse practitioners and physician assistants.

COURSE TOPICS INCLUDE

- Insomnia
- Frontotemporal Dementia
- HIV in the Elderly
- Osteoporosis Management
- Anticoagulation Cases
- Diabetes Management
- Common Hematologic Conditions
- Hypertension Management

LEARNING OBJECTIVES

- Classify optimum blood pressure parameters for the older adult in light of the new hypertension guidelines
- Develop a practical approach to complex decisions about osteoporosis management in the oldest old
- Recognize the importance of HIV screening in older adults
- Review cases in complex geriatric dilemmas in anticoagulation, hematologic conditions, insomnia, and diabetes

INTENDED AUDIENCE

This course is for primary care physicians including family practitioners, internists, general practitioners, advanced nurse practitioners, physician assistants, and those who care for elderly patients in the community, assisted living, and nursing home settings.

COURSE DIRECTORS

Christina Chen, M.D.
Brandon Verdoorn, M.D.

ACCREDITATION

Mayo Clinic College of Medicine and Science is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians.
Determination of credit is pending.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7.0 medical knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Participation information will be shared with ABIM through PARS.
