COURSE HIGHLIGHTS
• Strategies to put values into action across an organization
• Applicable examples: how core values and culture can improve staff engagement and an organization’s success
• Strengthening an institution’s culture
• Enhancing Patient Experience, Core Values, and Professionalism in Medicine

TARGET AUDIENCE
Administrators, Physicians, Allied Health, Nurse Practitioners, Physician Assistants, PhD’s, and other Health Care Workers

LEARNING OBJECTIVES
Upon conclusion of this program, participants should be able to:
• Demonstrate an understanding of organizational culture, and how this relates to values, professionalism and employee engagement.
• Summarize the concept of the professionalism charter for health care organizations and how this can enhance a medical center’s success.
• Summarize tangible examples of strategies to enhance organizational culture, strength of employee alignment with primary and core values, employee engagement, and integration in a community health system or academic medical center.

COURSE DIRECTORS
Robert D. Brown Jr., M.D., M.P.H.
Darcy A. Reed, M.D., M.P.H.
Linda K. Matti, M.S.N.
