Mayo Clinic School of Continuous Professional Development

91ST ANNUAL
CLINICAL REVIEWS
An update for the primary care provider

MAYO CIVIC CENTER
ROCHESTER, MINNESOTA
OCTOBER 23-25, 2017 AND NOVEMBER 6-8, 2017
ABFM GROUP SESSIONS ON OCTOBER 22 AND NOVEMBER 5

CE.MAYO.EDU/CROCTOBER or CE.MAYO.EDU/CRNOVEMBER

22.5 AMA PRA CATEGORY 1 CREDITS™
18.75 ABIM MOC Points
COURSE HIGHLIGHTS
• Concise didactic lectures
• Content focused on the needs of the primary care provider in the clinical practice
• Dedicated question and answer sessions throughout the course
• Breakout sessions for personalized course experience
• Pre-course ABFM Knowledge Self-Assessment sessions
• Course app containing all presentations with note-taking capabilities

TARGET AUDIENCE
Physicians, nurse practitioners, physician assistants and nurses practicing in primary care, family medicine and internal medicine.

LEARNING OBJECTIVES
• Describe the appropriate immunizations which should be given to both children and adults for protection against preventable infectious diseases.
• List medications which may be helpful in reducing peri-operative risk.
• Describe the approach which should be used to improve the lipid profile in patients with hyperlipidemia using both lifestyle changes and pharmacologic agents.
• Identify patients who are good candidates for new medical and surgical approaches to obesity.
• Recognize the significance, prognosis and recommended follow up of patients with nonalcoholic steatohepatitis.
• Detect and treat common pediatric rashes appropriately.
• Summarize the risks and benefits associated with proton pump inhibitor use and gain confidence in appropriate use.

ACCREDITATION
Mayo Clinic College of Medicine and Science is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 26.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine – Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 18.75 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Other Health Care Professionals – A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
