Course Description
The Mayo Clinic Physical Medicine and Rehabilitation Part II Board Review course is designed for candidates preparing for certifying examinations in physical medicine and rehabilitation. Through a combination of didactic lecture, case vignettes, along with optional online and practice oral exam components, the course helps guide study and preparation for all learners.

Course Learning Objectives
Upon conclusion of this program, participants should be able to:

• Achieve greater self-awareness and confidence in oral examination skills
• Demonstrate competency in patient care skills that are appropriate and effective for the treatment of commonly seen patients in a physiatric practice
• Demonstrate medical knowledge and the application of this knowledge to patient care
• Integrate the practice-based learning process and apply the experience gained in simulation
• Exhibit interpersonal and communication skills that result in effective information exchange and learning with patients, their families, and other health professionals

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Optional Educational Opportunities (additional fees apply):

Oral Exam Practice
• Features live case vignettes and oral board exam practice for effective learning
• Limited spaces available, so register early (one sign-up allowed per person)

Online Educational Content
• Refresh your medical knowledge utilizing innovative pre-course online modules
