6th Annual Mayo Clinic
ESOPHAGEAL DISEASES Course

MAYO CLINIC FRANKE EDUCATION CENTER
PHOENIX, ARIZONA
NOVEMBER 30 – DECEMBER 1, 2018

CE.MAYO.EDU/ESOPH2018
COURSE HIGHLIGHTS
• Explore exciting advancements in the diagnosis and therapy of esophageal diseases including high-resolution manometry and impedance monitoring
• Learn new techniques in endoscopic detection and treatment of Barrett’s esophagus
• Gain insights into new diseases such as eosinophilic esophagitis
• New this year! Saturday morning breakout session designed for advanced practice providers and nurses

WORKSHOP
A special feature of this program is a hands-on workshop for interpretation and performance of motility studies, new endoscopic imaging techniques, endoscopic mucosal resection and ablation. Participants will rotate through the following stations:
• Endoscopic Resection
• Radiofrequency Ablation
• Cryotherapy
• Mechanics of Clips (TTS, OTS) and Stents Deployment
• Advanced Imaging in Barrett’s Esophagus
• Esophageal Laboratory Testing:
  – Reading Ambulatory Reflux Monitoring Tests
  – Reading Basic Esophageal Manometry
  – Reading Advanced Esophageal Manometry and FLIP Topography

LEARNING OBJECTIVES
Upon conclusion of this program, participants should be able to:
• Summarize the appropriate use of current tools available for GERD diagnosis.
• Outline a structured approach for evaluation of patients with PPI-refractory symptoms.
• Identify appropriate diagnostic and treatment strategies for ruminations.
• Recognize the role of PPI therapy as the first treatment step when esophageal eosinophilia is diagnosed.
• Recognize current management options for early esophageal cancer, including endoscopic approaches.
• Describe the role of new diagnostic tools such as FLIP topography, and new treatment options (POEM) in achalasia patients.
• Identify appropriate patients for self-dilation, and understand how to establish a self-dilation program.
• Describe non-endoscopic methods of screening for Barrett’s esophagus and diagnosis and monitoring of eosinophilic esophagitis.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE
This course is designed for practicing gastroenterologists, fellows and residents in gastroenterology. Thoracic surgeons, otolaryngologists and pulmonologists, as well as other healthcare professionals with an interest in esophageal diseases may benefit from this program.

MEETING LOCATION
Mayo Clinic Franke Education Center
5777 East Mayo Boulevard • Phoenix, Arizona 85054
Mayo Clinic Franke Education Center is located directly adjacent to Mayo Clinic Hospital in Phoenix, just west of the main hospital entrance.
This course includes a hands-on workshop opportunity. Registrants will receive a survey to identify and rank, in order of preference, the stations in which they would like to participate. Station rotations will be made based on licensed scope of practice and response date. Only those who respond to the survey will be assigned. Onsite rotation assignments will be based upon space availability.

NEW! An advanced practice provider breakout session will be offered Saturday morning, December 1, 2018. Please indicate if you will participate in this breakout session.

Your registration fee includes tuition, access to the online course syllabus, continental breakfasts, daily lunch and break refreshments, and reception. A link to the online syllabus will be sent to registrants via email one week prior to the course.

Please visit ce.mayo.edu/esoph2018 for additional information and cancellation policy.

ACCOMMODATIONS

Residence Inn Phoenix Desert View at Mayo Clinic
5665 East Mayo Boulevard • Phoenix, Arizona 85054
Phone: (866) 754-5927 or (480) 563-1500
ONLINE RESERVATIONS

Conveniently located on the Mayo Clinic Hospital campus, the Residence Inn Phoenix Desert View at Mayo Clinic offers spacious suites, complimentary hot buffet breakfast, high-speed internet access, fitness facilities, swimming pool, a business center, and free parking. Check-in time is 3 p.m.; check-out time is noon.

A block of rooms, studio suites, at a special group rate of $149 (USD), single or double, per night, plus applicable state/local taxes, is available. Group rates will apply three days prior to and after the course dates, based upon space and rate availability.

Make your reservation before the room block is filled or the cut-off date, November 8, 2018. Reservations received after this date will be accepted on a rate and space available basis. When making your reservation, identify yourself as a participant of the “Mayo Clinic Esophageal Course.”

JW Marriott Phoenix Desert Ridge Resort & Spa
5350 E Marriott Drive • Phoenix, Arizona 85054
Phone: 800-835-6206 or (480) 293-5000
ONLINE RESERVATIONS

A block of standard deluxe rooms at a special group rate of $299 (USD), per night, plus applicable state/local taxes is available. Group rates apply three days prior to/after course dates, based on group room availability. The resort fee has been reduced to $10 per room, per night. Self-parking is complimentary. The resort is located 2.2 miles, or 7 minutes, from Mayo Clinic Franke Education Center.

Make your reservation online or by calling before the room block is filled or the cut-off date, November 1, 2018. Reservations made after the cut-off date shall be at the hotel’s current available rate. When making your reservation, identify yourself as a participant of the Mayo Clinic Esophageal course.

The standard hotel reservation cancellation policy will apply to individual reservations unless otherwise specified. Lodging arrangements are the sole responsibility of the individual registrant.
PROGRAM AT-A-GLANCE

A complete program schedule is available on the website:

[CE.MAYO.EDU/ESOPH2018]

FRIDAY, NOVEMBER 30, 2018

ESOPHAGEAL FUNCTION TESTING
Esophageal Motility Testing in 2018: High-Resolution Manometry and FLIP Topography
Current and Emerging Modalities for GERD Diagnosis

EOSINOPHILIC ESOPHAGITIS
Advances in the Diagnosis of Eosinophilic Esophagitis
Medical and Dietary Management of Eosinophilic Esophagitis

BARRETT’S ESOPHAGUS
Tools for Barrett’s Screening and Surveillance
Endoscopic Treatment of Early Esophageal Cancer

INTERNAL MEDICINE GRAND ROUNDS:
CURRENT APPROACH TO PPI-REFRACTORY SYMPTOMS
PPI-Refractory Symptoms: Evaluation and Medical Management
Refractory GERD: Surgical and Endoscopic Management

RECENT DEVELOPMENTS IN THE DIAGNOSIS AND TREATMENT OF ESOPHAGEAL DISEASES
Managing the Risks and Benefits of PPI Therapy
Evaluation and Management of Rumination
How to Diagnose and Treat Achalasia in 2018

CASE DISCUSSIONS
Endoscopic Challenges in the Esophagus
Challenging Eosinophilic Esophagitis Cases
Challenging Barrett’s Cases

SATURDAY, DECEMBER 1, 2018

TRACK 1
PHYSICIANS
Workshop Stations:
- EMR Ligation
- Radiofrequency Ablation
- Cryotherapy
- Mechanics of Clips (TTS, OTS) and Stents Deployment
- Advanced Imaging in Barrett’s Esophagus: VLE
- Esophageal Laboratory Testing
  - Reading Ambulatory Reflux Monitoring Tests
  - Reading Basic Esophageal Manometry
  - Reading Advanced Esophageal Manometry and FLIP Topography

TRACK 2
ADVANCED PRACTICE PROVIDERS
Didactic and Optional Workshop Stations:
- Clinical Utility of High-Resolution Manometry
- Update on GERD
- Surgical Approaches for GERD and Achalasia
- Barrett’s Esophagus: Clinical Management
- Advanced Imaging in Barrett’s Esophagus: VLE
- Esophageal Laboratory Testing:
  - Reading Ambulatory Reflux Monitoring Tests
  - Reading Basic Esophageal Manometry
  - Reading Advanced Esophageal Manometry and FLIP Topography

CASE DISCUSSIONS
How to Establish and Run a Self-Dilation Clinic
Challenging GERD Cases
Interesting Cases from the Esophageal Clinic
COURSE FACULTY

Course Director
Marcelo F. Vela, M.D.

Course Co-Directors
Prasad G. Iyer, M.D.          David A. Katzka, M.D.          Herbert C. Wolfsen, M.D.

Guest Faculty
John E. Pandolfino, M.D.
Professor of Medicine
Division Chief, Gastroenterology and Hepatology
Northwestern University
Northwestern Memorial Hospital
Chicago, Illinois

Mayo Clinic Faculty
Jeffrey A. Alexander, M.D.          Allon Kahn, M.D.
Navtej S. Buttar, M.D.          Brian E. Lacy, M.D., Ph.D.
Subhankar Chakrborty, M.B.B.S., Ph.D.          Cadman L. Leggett, M.D.
Michael D. Crowell, Ph.D.          Kristyn Maixner, A.P.R.N., C.N.P.
Enrique F. Elli, M.D.          Joseph A. Murray, M.D.
Douglas O. Faigel, M.D.          Francisco C. Ramirez, M.D.
David E. Fleischer, M.D.          Karthik Ravi, M.D.
Norio Fukami, M.D.          Andrea C. Rodriguez, M.D.
Houssam Halawi, M.D.          Diana L. Snyder, M.D.
Magnus Halland, M.D.          Kenneth K. Wang, M.D.
Mark L. Hancer, P.A.-C.          Louis M. Wong Kee Song, M.D.
Jennifer L. Horsley-Silva, M.D.

CREDIT

In support of improving patient care, Mayo Clinic College of Medicine and Science is accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA: Mayo Clinic College of Medicine and Sciences designates this live activity for a maximum of 14.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

AOA: This program has been accredited by the American Osteopathic Association for 14.75 credits of AOA Category 2-A.

Nursing: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit(s)™ issued by organizations accredited by the ACCME. Nurses should verify the requirements for other credentialing organizations. For the purpose of re-licensure, state boards of nursing may accept AMA PRA Category 1 Credit(s)™ to meet continuing education requirements for license renewal. Nurses should check with their state’s board of nursing regarding use of CME credit.

ABIM MAINTENANCE OF CERTIFICATION

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 14.75 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
