COURSE HIGHLIGHTS
Mark your calendar and plan to join us March 25-28, 2015 at the Westin Kierland in Scottsdale, Arizona for the 2015 Clinical Reviews CME course, designed for Primary Care and Internal Medicine providers. This year the course will start Wednesday morning at 7 a.m. with Registration and Continental Breakfast. The first presentation begins at 7:50 a.m., please see the program schedule for details. Early Check-in is available Tuesday afternoon from 4-6 p.m.

This four-day continuing medical education course features medical updates on various diseases, Q&A session, afternoon workshops in parallel with topics for both Family Medicine and Internal Medicine learners, plus grouped talks by topic in the General Session. The emphasis will be placed on clinical programs and management strategies made in major subspecialties that will be covered including:

- Cardiology
- Gastroenterology
- Neurology
- Urology

Optional Post-Course ABIM maintenance of certification modules and ABFM self assessment modules is also available in group sessions format (separate registration and fee is required).

COURSE LEARNING OBJECTIVES
Upon completion of this course, which will offer evidenced-based lectures in formats including didactic lecturers, workshops, Meet the Preceptor luncheons, participants should be able to:

- Identify headaches that are triggered and sustained by repetitive analgesic use.
- Assess the presenting differences between tremors associated with different movement disorders.
- Apply the latest guidelines in the management of stroke.
- Review practice changes that facilitate adherence to the new American College of Cardiology/American Heart Association guidelines for lipid management and risk scoring calculator.
- Review current guidelines colon cancer screening and a novel DNA testing option.
- Receive an update on the role of gut flora in various disease states.
- Manage and appreciate surveillance criteria in Barrett’s disease of the esophagus.
- Review the workup and management of nonalcoholic steatohepatitis.
- Develop a cost-effective clinical algorithm for the metabolic and radiographic workup of kidney stones.
- Identify the work-up and manage venous insufficiency.
- Appraise the controversies of prostate-specific antigen testing in the prevention of prostate cancer.
- Compare the expanding options in the treatment of type 2 diabetes mellitus.
- Review the heterogeneous pulmonary manifestations of sarcoidosis.
- Recognize safe and effective management strategies for behavioral issues associated with dementia.
- Formulate the evaluation of both hypo-and hypercalcemia.
- Interpret controversies associated with testosterone replacement therapy, including the workup of abnormal values, benefits and risks of replacement therapy.
- Summarize the new guidelines cervical cancer screening.
- Differentiate the gender specific challenges of chronic liver disease in the female patient.
- Review the workup for patients who suffer from tingling or distorted sensations in his or her feet.

DISCLAIMER
Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

CREDIT
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Mayo Clinic College of Medicine designates this live activity for a maximum of 23.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

This program has been accredited by the American Osteopathic Association for 23.0 credits of AOA Category 2-A.

A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

GRANTS AND EXHIBITS
This course is supported in part by educational grants, in accordance with ACCME standards.

As of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the meeting.

Exhibits will be available for viewing at all scheduled breaks.
AMERICANS WITH DISABILITIES ACT
Mayo Clinic College of Medicine fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify us at least two weeks prior to the activity. Email address: mca.cme@mayo.edu

MEETING LOCATION
Kierland Resort and Spa
6902 East Greenway Parkway
Scottsdale, Arizona 85254
(480) 624-1000 • (800) 354-5892
http://www.kierlandresort.com

- Travel Medicine
- Choose Wisely
- Seizures
- Responsible Opioid Prescribing
- Alternative Medicine
- Aging and Sarcopenia

**AFTERNOON PM WORKSHOPS**

**WEDNESDAY**

- Dementia – Evaluation & Early Treatment
- Management of Non-Cancer Pain
- End of Life Issues / Eating Disorders & the Media

**THURSDAY**

- Ultrasound (Office-based)
- Ortho – Management of Knee & Hip Pain
- Five Apps You Should Be Using in Your Practice
POST COURSE SESSIONS

American Board of Internal Medicine (ABIM)

2014 Update in Hospital-Based Medicine and 2014 Update in Internal Medicine
Friday, March 27, 2014 from 1:00-5:00 p.m. • Registration Fee: $100 with General Session

COURSE DESCRIPTION
The optional post-course ABIM Self Evaluation Process (SEP) Medical Knowledge modules are chaired by expert faculty who will analyze each module question, review current evidence and key points and summarize clinical pearls. Session attendees actively participate using an audience response system and verbalize their understanding of current evidence and a common consensus would be achieved in answering these questions. The collective information gathered in these interactive sessions enhances individual knowledge and longer retention of current medical information. After the completion of these interactive modules, the attendee can go online to obtain MOC credit from ABIM. An additional fee applies.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

CREDIT
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
Mayo Clinic College of Medicine designates this live activity for a maximum of 4.0 AMA PRA Category 1 Credits™ (2 credits per module). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Please note: You may claim AMA PRA Category 1 Credits™, or ABIM points. You may not claim credit with both organizations.

American Board of Family Medicine (ABFM)

Cerebrovascular Disease SAM
Friday, March 27, 2014 from 1:00-5:00 p.m. • Registration Fee: $100 with General Session

COURSE DESCRIPTION
In this group learning experience, attendees will work together, facilitated by expert Mayo Clinic faculty, to review and discuss core competency questions and to decide as a group on the best answers. After completing the session, Mayo staff will report the group’s answers and individual’s participation to the ABFM. Later, participants must individually access the ABFM web site, pay the necessary fees, and complete the clinical simulation section (which presents patient care scenarios corresponding to the topic module) in order to complete and receive final credit for the SAM.

Attention attendees: Please provide ABFM ID# or AAFP ID# when checking at the course registration desk.

Intended Audience: Family Medicine physicians who are diplomats of the ABFM.

CREDIT
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
Mayo Clinic College of Medicine designates this live activity for a maximum of 4.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Please note: You may claim AMA PRA Category 1 Credits™, or ABFM points. You may not claim credit with both organizations.

In addition to fulfilling ABFM Pat II SAM Requirements, CME credit will be granted by the AAFP upon successful completion of the patient simulation portion of this module. For individuals who do not complete the whole ABFM module, Mayo Clinic College of Medicine, designates this educational activity for a maximum of 4.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Please note: There is a separate registration fee for the Self-Assessment session. Attendees will be individually responsible for the additional ABFM fees required before completing the clinical simulation section. Anyone is welcome to register for and attend the post-course sessions only.
REGISTRATION INFORMATION

Clinical Reviews 2015:
26th Annual Family Medicine and Internal Medicine Update
March 25-28, 2015

Registration is available online at our NEW website at ce-mayo.edu.

An email confirmation will be sent upon receipt of payment and completed registration. If you do not receive your confirmation, or if you have any questions, please email us at mca.cme@mayo.edu or call (480) 301-4580.

No refund will be granted unless a written notice of cancellation is received. If registration must be canceled, tuition less a $75 administrative fee, will be refunded when notification is received on or before March 13, 2015. No refunds will be made after this date.

Although it is not Mayo Clinic’s policy to limit the number of registrants for a course, conference room facilities may necessitate closure of enrollment. Early registration is strongly recommended.

Walk-in registrations cannot be guaranteed. Mayo Clinic will not be responsible for expenses incurred by individuals who are not confirmed for courses with a closed registration status. Costs incurred by the registrant such as airline/ hotel fees or penalties are the responsibility of the registrant.

ONLINE SYLLABUS: Your registration fee includes access to a detailed online syllabus, emailed one week prior to the course. This allows you to view, save or print the syllabus before attending the course. If you want to order a paper copy, additional fee required.

Course Registrant List (Check only if you want your name removed)
☐ I do not want information (i.e., name, degree, city, and state) to appear on course registrant list provided upon request to registrants, grantors, and exhibitors.

$75 DISCOUNT FOR ONLINE REGISTRATION (Offer expires February 25, 2015)

Go to ce.mayo.edu  Keyword Search: 26th Clinical Reviews

Note: When registering online, please be sure to “check-out” after your profile is completed/updated.
