CE.MAYO.EDU/HEMONC2018
COURSE HIGHLIGHTS

- Comprehensive update and management strategies for key hematologic and oncologic diseases
- New data and best practices for practicing physicians and the entire healthcare team
- Case and panel discussions
- Renowned guest and Mayo Clinic faculty
- Continuing education credit offered for physicians, pharmacists and nurses

TARGET AUDIENCE

This course is designed for physicians practicing in hematology and oncology, as well as physician assistants, nurse practitioners, nurses, pharmacists, and other healthcare professionals interested in the diagnosis and treatment of patients with hematologic and oncologic disorders.

LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- List updates in key areas of clinical hematology, medical oncology, radiation oncology and surgical oncology.
- Review the latest advances in the management of HER2 positive breast cancer and triple negative breast cancer.
- Discuss the approach to perioperative therapy in hormone receptor positive breast cancer.
- Recognize the value of genomics in the treatment of colon cancer and define an approach to oligometastatic disease.
- Employ best practices in the management of metastatic gastric cancer.
- Identify an approach to the treatment of relapsed multiple myeloma and lymphoma in light of recently approved agents.
- Classify novel means of anticoagulation and the indications of newer agents.
- State the role of stem cell transplantation in hematological diseases.
- Define a clinical approach to the treatment of genitourinary malignancies.
- Cite the targeted approach to lung cancers and their challenges.
- Summarize best practices for the management of toxicity from immunotherapy.
- Integrate the many new advances in melanoma treatment into existing treatment paradigms.
- Review emerging therapies in sarcoma.
- Describe best practices in the multidisciplinary approach to head and neck cancers.

WELCOME RECEPTION

Friday, February 16, 2018, 5:45 – 7:00 p.m.

Attendees and guests are cordially invited to join course faculty at a Welcome Reception Friday, February 16, 2018 at 5:45 p.m. This casual reception welcomes you to the course and offers a perfect opportunity to meet existing and new colleagues. Pre-registration is requested.
LODGING ACCOMMODATIONS

Omni Scottsdale Resort & Spa at Montelucia
4949 East Lincoln Drive   |   Scottsdale, Arizona 85253
Reservations: (888) 627-3010
Online Reservations:
https://www.omnihotels.com/hotels/scottsdale-montelucia/meetings/HemOnc2018

A special group rate of $299 (USD), per room per night, plus applicable city/state sales tax, single or double occupancy, is extended to course participants and guests. Group rates apply three days prior to and three days post-course dates, based upon availability. The resort charge has been waived and includes guest room internet, daily fitness center access, and self-parking.

Make your reservation before the room block fills or before January 19, 2018, via website, https://www.omnihotels.com/hotels/scottsdale-montelucia/meetings/HemOnc2018, or call (888) 627-3010 and reference Mayo Clinic Hematology and Oncology. Reservations will be taken following this date based upon room and rate availability.

Attendees are responsible for their own reservations. The standard hotel reservation cancellation policy will apply to individual reservations unless otherwise specified. Mayo School of CPD is not responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at the meeting. Costs incurred by the registrant such as airline or hotel fees or penalties are the responsibility of the registrant.

Comprehensive program schedule at: CE.MAYO.EDU/HEMONC2018

FRIDAY, FEBRUARY 16, 2018

6:45 a.m.  Registration, Continental Breakfast and Exhibits
7:30    Welcome & Introductions

SESSION 1: MYELOMA
7:45  Session 1-3 Pre-Test
8:00  Newly Diagnosed Myeloma
8:30  Relapsed Multiple Myeloma
9:00  Supportive Care Tips in Managing Multiple Myeloma
9:15  Question and Answer Session

SESSION 2: CHRONIC LYMPHOCYTIC LEUKEMIA (CLL)
9:30  Approach to CLL Prognosis and Therapy in 2018
10:00  Oral Chemotherapy: A Pharmacist’s Perspective
10:15  Question and Answer Session
10:30  Refreshment Break and Exhibits

SESSION 3: LYMPHOMA
11:00  Indolent Non-Hodgkin Lymphomas
11:30  Risk Stratification and Management of Aggressive B-cell Lymphomas
Noon  Question and Answer Session
12:15 p.m.  Session 1-3 Post-Test
12:30  Lunch (provided)

SESSION 4: SOLID TUMORS I
1:30  Session 4-5 Pre-Test
1:45  Precision Medicine in the Management of Colorectal Cancer
2:15  Oligometastatic Disease in Colon Cancer
2:45  Current and Emerging Treatment of Esophagogastric Cancer
3:15  Question and Answer Session
3:35  Refreshment Break and Exhibits

SESSION 5: SOLID TUMORS II
3:50  Continuing Advances in the Management of Metastatic Prostate Cancer
4:20  Bladder Cancer Treatment Update
4:50 Oral Chemotherapy Adherence
5:05 Question and Answer Session
5:25 Session 4-5 Post-Test
5:35 Adjourn
5:45 Welcome Reception

SATURDAY, FEBRUARY 17, 2018

6:45 a.m. Continental Breakfast and Exhibits
7:30 Announcements

SESSION 6: MYELOID
7:45 Session 6-7 Pre-Test
8:00 Life After Hydroxyurea: Managing MPNs in 2018
8:30 Acute Leukemia: New Therapy and Molecular Testing
9:00 Managing Patients with AML Receiving Therapy with Enasedenib
9:15 Question and Answer Session
9:30 Dharma, Happiness and Living with Purpose
10:30 Refreshment Break and Exhibits

SESSION 7: BENIGN HEMATOLOGY
11:00 Novel Anticoagulants in 2018
11:30 Thrombosis for the Oncologist: 2018 Update
Noon Question and Answer Session
12:15 p.m. Session 6-7 Post-Test
12:30 Lunch (provided)

SESSION 8: SOLID TUMORS III
1:30 Session 8-9 Pre-Test
1:45 Management of Advanced Melanoma
2:15 Management of Immune Related Toxicity from Checkpoint Inhibitor Therapy
2:45 Question and Answer Session
3:05 Refreshment Break and Exhibits

SESSION 9: SOLID TUMORS IV
3:20 Ovarian Cancer: A Misunderstood Disease
3:50 How to Train the Immune System to Fight Chest Cancers: Current Strategies and Ongoing Trials
4:20 Targeted Therapy in Lung Cancer
4:50 Benefits of Patient-Reported Outcomes for Symptom Monitoring during Routine Cancer Treatment: Results of a Randomized Clinical Trial
5:05 Question and Answer Session
5:25 Session 8-9 Post-Test
5:35 Adjourn

SUNDAY, FEBRUARY 18, 2018

7:00 a.m. Continental Breakfast and Exhibits
7:45 Announcements

SESSION 10: SOLID TUMORS V
8:00 Session 10-11 Pre-Test
8:10 Multidisciplinary Management of Head and Neck Cancer
8:40 Sarcomas: Breakthroughs and Emerging Strategies
9:10 Question and Answer Session
9:30 Refreshment Break and Exhibits

SESSION 11: SOLID TUMORS VI
9:50 Perioperative Anti-Estrogen Therapy for Operable Breast Cancer
10:20 Advances in HER2 Targeted Therapy
10:50 Advances in TNBC
11:20 Advances in Breast Imaging
11:50 Question and Answer Session
12:10 p.m. Session 10-11 Post-Test
12:20 Closing Comments and Adjourn

CREDIT

In support of improving patient care, Mayo Clinic College of Medicine and Science is accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

ACCME: Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 20.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACPE: Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 20.0 ACPE knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity. Participants must complete the entire activity and are required to complete an online evaluation(s) to earn credit.

Visit the activity's website for additional information regarding the ACPE credit offering.

ANCC: Participants can earn up to 20.0 ANCC nursing contact hours commensurate with the extent of their participation in the activity. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AAFP: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

AOA: This program has been submitted to the American Osteopathic Association for AOA Category 2-A.

Other Health Care Professionals: A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
