Mayo Clinic
1st Annual Update on Infectious Diseases for Primary Care

Juanita Kious Waugh Auditorium
Mayo Clinic Education Center
Phoenix, Arizona

Saturday – Sunday
January 9-10, 2016

Up-to-date and practical information on the DIAGNOSIS, TREATMENT and PREVENTION of the infectious diseases you see most in your practice

$75 DISCOUNT when you register at ce.mayo.edu/node/4928 by December 12, 2015
COURSE DESCRIPTION
Up to date and practical information on the diagnosis, treatment and prevention of the infectious diseases you see most in your practice!

The field of infectious diseases is rapidly evolving with new diseases, diagnostic modalities, antimicrobial resistance and new paradigms for treatment. This new course combines the essentials of Coccidioidomycosis with an update on how to manage infections encountered in the outpatient setting. This course will utilize lectures, case presentations and interactive discussion to enhance providers knowledge and ability to diagnose, treat and prevent the infections commonly seen in practice. The course will provide updated and essential information for clinicians who encounter coccidioidomycosis in their practice.

FEATURED TOPICS
• Coccidioidomycosis
• Rapid diagnostic tests for infectious diseases
• Differentiating viral and bacterial infections in the office
• Managing common infections in an era of multidrug resistance
• How to use new immunizations
• Measles, MERS, Chikungunya and More – Tools to help you recognize and prevent spread of emerging infections.
• Antimicrobial Stewardship
• What’s New in Management of Skin, Soft Tissue and MRSA Infections
• Update on Urinary Tract Infections
• What’s New in Infectious Diarrhea?
• Antibiotic Prophylaxis for Primary Care
• Get Smart: When to Suspect ABX Resistance, and What to do about it.

GRANTS AND EXHIBITS
This course is supported in part by educational grants, in accordance with ACCME standards.

As of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the meeting. Exhibits will be available for viewing at all scheduled breaks.

COURSE LEARNING OBJECTIVES
Upon completion of this course, participants should be able to:
• Recognize the impact of inappropriate antimicrobial use on antimicrobial resistance and public health
• Choose appropriate diagnostic tests to help understand when antibiotics are appropriate
• Utilize immunizations to prevent infectious diseases
• Manage skin and soft tissue infections seen in the office setting
• Manage outpatient urinary tract infections in an era of multidrug resistance
• Choose when antimicrobial prophylaxis is appropriate

DISCLAIMER
Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

CREDIT
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of 14 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

This program has been accredited by the American Osteopathic Association for 14 credits of AOA Category 2-A.

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

AMERICAN WITH DISABILITIES ACT
Mayo Clinic College of Medicine fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify us at least two weeks prior to the activity. Email mca.cme@mayo.edu
GENERAL INFORMATION

MEETING LOCATION
Mayo Clinic Hospital Campus, Arizona • Juanita Kious Waugh Auditorium
5777 East Mayo Boulevard • Phoenix, Arizona 85054
http://www.mayo.edu/education/about/about-mayo-clinic/mayo-clinic-in-Arizona/education-center

ACCOMMODATIONS
Mayo Clinic Education Center is located at Mayo Clinic’s campus in Phoenix at 5777 East Mayo Boulevard, Phoenix, Arizona 85054 (within walking distance to the Residence Inn). Hotel rooms near the Education Center are limited. You are urged to make reservations early, as rooms are available on a first-come, first-served basis. Attendees are responsible for their own reservations. Standard hotel reservation confirmation and cancellation policies apply to individual reservations unless otherwise specified.

Residence Inn Phoenix Desert View at Mayo Clinic
Visit course website for details: https://ce.mayo.edu/family-medicine/node/4928
Rate: $249 per night, plus applicable taxes, for single or double occupancy. Call (800) 331-3131 or (480) 563-1500; on or before the cut-off date of December 8, 2015 or until the group room block fills and identify yourself as part of the 2015 Mayo Clinic Infectious Disease group.

RECREATION/LEISURE ACTIVITIES
Visit www.visitphoenix.com or www.scottsdalecvb.com for recreation and leisure activities.

TRANSPORTATION
Ground Transportation: Hertz is offering a reduced daily rate for participants attending the course. Call (800) 654-2240 and refer to CV Number #03NR0011 when making reservations.
Supershuttle vans offer airport transportation to and from the hotel. To make reservations, call (800) 258-3826 or (602) 244-9000.

REGISTRATION INFORMATION
Registration is available on our website at http://ce.mayo.edu/node/4928
A link to the online syllabus will be sent via email one week prior to the course. This allows you to view, save or print the syllabus before attending the course. No printed syllabus will be available.
An email confirmation will be sent upon receipt of payment and completed registration. If you do not receive your confirmation, or if you have any questions, please email us at mca.cme@mayo.edu or call (480) 301-4580.
No refund will be granted unless a written notice of cancellation is received. If registration must be canceled, tuition less a $75 administrative fee will be refunded when notification is received on or before December 24, 2015. No refunds will be made after this date.

Although it is not Mayo Clinic’s policy to limit the number of registrants for a course, conference room facilities may necessitate closure of enrollment. Early registration is strongly recommended. Walk-in registrations cannot be guaranteed. Mayo School of Continuous Professional Development (MSCPD) reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event that MSCPD must cancel or postpone this course, MSCPD will fully refund the registration fee, but are not responsible for any related costs, charges or expenses to participants, including fees assessed by airline, travel or lodging agencies.
Mayo Clinic will not be responsible for expenses incurred by individuals who are not confirmed for courses with a closed registration status. Costs incurred by the registrant such as airline/hotel fees or penalties are the responsibility of the registrant.

$75 DISCOUNT
When you register at www.ce.mayo.edu/node/4928 (Offer expires December 12, 2015)
Note: When registering online, please be sure to “check-out” after your profile is updated.

Program

Saturday, January 9, 2016

7:00 a.m.  Registration & Continental Breakfast
7:50  Welcome & Introductions
ESSENTIALS OF COCCIDIOIDOMYCOSIS COURSE

8:00  Epidemiology of Coccidioidomycosis
      Rebecca H. Sunenshine, M.D.

8:45  Clinical Features of Coccidioidomycosis
      Neil M. Ampel, M.D.

9:30  Break

10:00  Management of Coccidioidomycosis
       Janis E. Blair, M.D.

10:45  Diagnostic Testing for Coccidioidomycosis
       Thomas E. Grys, Ph.D.

11:30  Case Discussions and Questions
       Drs. Sunenshine, Blair, Ampel, Grys

12:15 p.m.  Lunch

1:30  New Strategies for Managing Upper Respiratory Tract Infections
      Abinash Virk, M.D.

2:15  What’s New in Immunizations
      Priya Sampathkumar, M.D.

3:00  Latent TB Infection: Diagnosis and Management
      H.R. Vikram, M.D.

3:45  Break

4:15  PrEP and STD Prevention Update
      Stacy A. Rizza, M.D.

5:00  Measles, MERS, Plague and More –
      Tools To Help You Recognize and Prevent Spread of Infections
      M. Teresa Seville, M.D.

5:45  Question and Answer Session with Faculty

6:30  Adjourn

Sunday, January 10, 2016

7:00 a.m.  Continental Breakfast
7:50  Introductions & Welcome Back
MANAGING COMMON INFECTIONS IN THE ERA OF
ANTIMICROBIAL RESISTANCE

8:00  Keynote – Antimicrobial Stewardship: It’s Now or Never
      John G. Bartlett, M.D.

9:00  What’s New in Management of Skin –
      Soft Tissue and MRSA Infections
      Roberto L. Patron, M.D.

9:45  Break
10:15  Managing Urinary Tract Infections in an Era of Multidrug Resistance  
       Robert Orenstein, D.O.

11:00  Antimicrobial Prophylaxis – When is it Appropriate?  
       Elie F. Berbari, M.D.

11:45  Cases, Images, and Interactive Session  
       Drs. Bartlett, Berbari, Patron, Orenstein

12:30 p.m.  Lunch

1:45  Antimicrobial Mischief and Misadventures  
       Leila K. Tehrani, PharmD

2:30  It’s Time to Get Smart: When to Suspect ABX Resistance, and What to Do About It  
       Katherine Fleming-Dutra, M.D.

3:30  Adjourn

Program schedule is subject to change without notice.
