In collaboration with the Translational Genomics Research Institute (TGEN), Honor Health Research Institute and the Pancreatic Cancer Action Network

WESTIN KIERLAND RESORT & SPA
SCOTTSDALE, ARIZONA
NOVEMBER 10–11, 2017

CE.MAYO.EDU/CANCERMGMT2017
COURSE HIGHLIGHTS

• World-renowned guest faculty, as well as experts from Mayo Clinic
• Interactive Q & A Sessions
• Networking Opportunities

Topics Include:

• Oncologic imaging and staging for the non-radiologist
• Molecular biology and translational research
• Advances in treatment of pancreatic and hepato-biliary cancers
• Local therapy, surgery and liver transplantation for hepato-biliary cancers
• Adjuvant therapy and preoperative therapy of pancreatic and hepato-biliary cancers
• Targeted agents and treatment of molecular subsets for pancreatic and hepato-biliary cancers
• First and second line therapy for advanced pancreatic and hepato-biliary cancers

TARGET AUDIENCE

This course is intended for surgeons, gastroenterologists, medical and radiation oncologists, pain specialists, laboratory scientists, physician assistants, nurse practitioners, registered nurses, oncology pharmacists, oncology nurses and clinical research personnel.

LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

• Identify patients who will benefit from radiation therapy
• Incorporate novel agents in clinical care and clinical trial participation
• Explain palliative care management of the symptomatic patient
• Describe molecular biology of pancreatic and hepato-biliary cancer
• Describe the role of the PARP inhibitors and DNA damaging agents in the treatment of pancreatic cancer
• Select an appropriate regimen for first and second line therapy in treating advanced pancreatic cancer and hepato-biliary cancer
• Describe the differences in staging between borderline and unresectable locally advanced pancreatic / hepato-biliary cancers
• Identify patients with resectable pancreatic cancer who are candidates for a minimally invasive procedure

LOCATION AND ACCOMODATIONS

Westin Kierland Resort & Spa
6902 E. Greenway Parkway • Scottsdale, Arizona 85254
(480) 624-1000 • (800) 354-5892
www.kierlandresort.com

Reserve your room before October 10, 2017 in order to receive a discounted rate of $285 single or double occupancy, per night (limited number available). Please identify yourself as a participant of the Mayo Clinic Pancreatic Cancer Conference when making your reservation. Group rates will be honored 3 days prior and 3 days following the course dates, based upon space availability. Make your online reservation at: https://www.starwoodmeeting.com/Book/MCPanCan2017

Attendees are responsible for their own reservations. A deposit equal to one night’s stay (($285.00) plus tax) is required to hold each individual’s reservation. Such deposit shall serve to confirm the reservation for the date(s) indicated, and, upon check-in, shall be applied to the final night of the reserved stay. Complimentary: Self-Parking and Wi-Fi in guestrooms.
Welcome Reception – Friday, November 10, 2017
Attendees and their guest(s) are cordially invited to join the course faculty for the Welcome Reception on November 10th from 5:30 p.m.–7:30 p.m. This casual reception provides the perfect opportunity to make connections with existing colleagues as well as to make new acquaintances. Pre-registration is requested. (Course registration includes up to two guests for the Welcome Reception. If you wish to bring additional guests, registration is required: (up to a party of 5 total) Adult guests $45 and Children up to 12 years of age $18. Please RSVP/register online or call (480) 301-4580.

Cancellation Policy: Please visit ce.mayo.edu/cancellation for more information.

</table>
Breakout A: Translational Advances Impacting Pancreatic Cancer
Moderator: Michael T. Barrett, Ph.D.

2:40 p.m. Introductions – Ramesh K. Ramanathan, M.D. and Tanios S. Bekaii-Saab, M.D.
2:45 p.m. Development and Use of Liquid Biopsies – Muhammed Murtaza, M.B.B.S., Ph.D.
3:10 p.m. Molecular Stratification of Pancreatic Cancer – David Dawson, M.D., Ph.D.
3:35 p.m. Cancer Predisposition as a Biomarker for Therapy – Fergus J. Couch, Ph.D.
4:00 p.m. Pancreatic Cancer Action Network Update – Victoria Manax Rutson, M.D.
4:20 p.m. Question and Answer

Breakout B: Emerging Therapeutic Landscape in Advanced Liver and Biliary Cancers
Moderators: Mitesh J. Borad, M.D. and Thomas J. Byrne, M.D.

2:40 p.m. Introductions
2:45 p.m. Targeting FGFR Pathway in Biliary Cancers – Milind M. Javle, M.D.
3:05 p.m. Targeting the Cell Cycle in Biliary Cancers – Daniel H. Ahn, D.O.
3:25 p.m. Immunotherapy in HCC / Biliary Cancer – F. Kate Kelley, M.D.
3:45 p.m. Novel Targeted Therapies in Advanced HCC – Ghassan K. Abou-Alfa, M.D.
4:05 p.m. Case Discussions – Molecular Tumor Board

5:30-7:30 p.m. Welcome Reception (opportunity for networking)

CREDIT
Mayo Clinic College of Medicine and Science is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 14.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program has been accredited by the American Osteopathic Association for 14.0 credits of AOA Category 2-A.

Other Health Care Professionals: A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
