Exhibit Opportunities
Dear Potential Exhibitor,

On behalf of course directors Jamie Newman, M.D., Andrew Herber, P.A.-C. and John Park, M.D. and the Mayo School of Continuous Professional Development, we are pleased to announce our upcoming 5th Annual Acute Care of the Complex Hospitalized Patient for NPs & PAs, to be held February 8-11, 2017, at the Embassy Suites Scottsdale Resort in Scottsdale, Arizona.

This program focuses on acute care of the hospitalized patient and is applicable to physicians, hospitalists, NPs, PAs, pharmacists, advanced practice nurses, and RN's, from novice to experienced. The course covers topics in critical care, hospital general medicine, surgery, neurology, cardiology, oncology, pain management and other medical subspecialties. As hospital care models continue to evolve; NPs and PAs are playing an increasingly vital role in the care delivery of hospitalized patients. This conference focuses on providing the most up-to-date, evidence-based guidelines and treatment pathways necessary to optimally care for hospitalized patients. The course features multiple options for skills workshops to further tailor the educational needs of NPs and PAs.

We anticipate 300 attendees at this year's course. Additional course details can be found on the course web site as they become available: https://ce.mayo.edu/node/14255.
