COURSE DESCRIPTION
This two-and-a-half-day continuing medical education course will provide a multidisciplinary update from experts in their field focusing on prevention, evaluation, diagnosis, management, and treatment of benign and malignant breast diseases, high risk and survivorship issues.

COURSE DIRECTORS
Sarah A. McLaughlin, M.D. / Barbara A. Pockaj, M.D. / Sandhya Pruthi, M.D.

COURSE HIGHLIGHTS
• Benign Breast Disorders
• Surviving Breast Cancer
• Breast Imaging Modalities and Supplemental Screening Options for Dense Breasts
• Updates in Surgical Management and Local Treatment of Breast Cancer
• Radiation Therapy Options
• Genetics and High Risk Management
• Advances in Oncology
• Updates in Breast Reconstruction
• Optional Evening Session: Advanced Surgical Techniques

INTENDED AUDIENCE
This course is designed for surgeons, oncologists, radiologists, pathologists, gynecologists, primary care providers, advanced practice providers, and allied health professionals who provide both diagnostics and treatment of patients with breast cancer.

LEARNING OBJECTIVES
Upon completion of this activity, participants should be able to:
• Recognize benign breast conditions.
• Recognize the role of risk assessment tools in identifying women at high risk for breast cancer.
• Explain the controversies developing in screening mammography and role of newer imaging modalities.
• Recommend surgical, radiation and medical oncology management and treatment options for newly diagnosed breast cancer patients.
• Summarize contemporary axillary management strategies and their risks.
• Summarize role of multi-gene panel testing for breast cancer patients.
• Identify survivorship issues and management options.
• Recognize contraception options in high-risk patients and breast cancer survivors.
• Compare and contrast different radiation oncology strategies in breast cancer patients.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.
CREDIT
Mayo Clinic College of Medicine and Sciences is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
Mayo Clinic College of Medicine designates this live activity for a maximum of 20 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP: This Live activity, Multidisciplinary Update in Breast Disease, with a beginning date of 11/09/2017, has been reviewed and is acceptable for up to 19.75 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA: This program has been accredited by the American Osteopathic Association for 20 credits of AOA Category 2-A.

Nursing: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit(s)™ issued by organizations accredited by the ACCME. Nurses should verify the requirements for other credentialing organizations. For the purpose of re-licensure, State Boards of Nursing may accept AMA PRA Category 1 Credit(s)™ to meet continuing education requirements for license renewal. Nurses should check with their State’s Board of Nursing regarding use of CME credit.
