

Mayo Clinic COVID-19: Updates for 2021 – Online CME Course

Activity Description

Mayo Clinic experts will discuss the latest information on COVID-19, including clinical updates, research developments, infection control, vaccines, and practical advice that healthcare professionals can use in their practice.

Target Audience

Healthcare providers in all specialties who are being impacted by COVID-19, including physicians, research scientists, physician assistants, nurse practitioners, nurses, and caregivers with a particular interest in prevention, treatment, and patient care.

Learning Objectives

Upon conclusion of this program, participants should be able to:

- Discuss current research initiatives related to the COVID-19 pandemic
- Identify promising, innovative solutions in treatment strategies for patients with COVID-19
- Describe the expedited translational research related to COVID-19

Utilization of this Mayo Clinic online (enduring materials) course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be in this course. Attendance at any Mayo Clinic course does not indicate or guarantee competence or proficiency in the skills, knowledge or performance of any care or procedure(s) which may be discussed or taught in this course.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.
