# Wait a Second! Aspirin for Secondary Prevention in Patients with CAD and Atrial Fibrillation

ACPE Universal Activity Number (UAN):

JA0000238-0000-21-004-L01-P **Session Date:** 02/09/2021

**Session Time:** 11:00 – 11:45 AM (CST) **Session Type:** Knowledge-based

Session Fee: Free for Mayo Clinic staff

**CE Credit Types:** A maximum of 0.75 contact hour

(0.075 CEU) for the following:

AAPA Category 1 CME Credits

ACPE

• AMA PRA Category 1 Credits<sup>TM</sup>

ANCC

## **Target Audience**

This continuing education (CE) session was planned to meet the needs of professional staff who deal with the selection and monitoring of medication(s) as part of their patient care duties, including: pharmacists, RNs, APRNs, PAs, MDs.

## **Activity Overview**

Historically, aspirin has been a cornerstone agent for both primary and secondary prevention of cardiovascular diseases, although recent evidence has highlighted that perhaps aspirin has less utility in primary prevention than once thought. However, there remains a lack of current literature on the long-term use of aspirin for secondary prevention. This presentation will focus specifically on long-term antiplatelet use for secondary prevention of coronary artery disease (CAD) in patients who are also receiving anticoagulation treatment for atrial fibrillation. While various guidelines make recommendations for antiplatelet discontinuation, there is a gap in evidence and clinical practice often varies.

## **Learning Objectives**

At the conclusion of this knowledge-based CE session, participants should be able to:

- 1. Outline the guideline recommendations for duration of antiplatelet therapy in acute coronary syndrome in patients using anticoagulation for atrial fibrillation
- 2. Review recent literature examining antiplatelet therapy in patients with atrial fibrillation and stable coronary artery disease
- 3. Discuss the balance of risks and benefits of antiplatelet and anticoagulant agents in these patients

## **Faculty Information**

Laurel N. Lake, PharmD PGY2 Ambulatory Care Pharmacy Resident Mayo Clinic - Rochester, MN

Laurel earned a Doctor of Pharmacy degree at the University of Wyoming in Laramie, WY. From there, she completed PGY1 training at the Cheyenne VA Medical Center in Cheyenne, WY and is currently the PGY2 Ambulatory Care Pharmacy Resident at Mayo Clinic. Dr. Lake's practice interests include chronic disease state management, polypharmacy, and geriatrics.

## **Approved Provider Statement**

In support of improving patient care, this activity is planned and implemented by Mayo Clinic College of Medicine and Science. Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

#### **Credit Statements**

#### **AMA**

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 0.75 AMA PRA Category 1 Credits<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### **ACPE**

Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 0.75 ACPE Knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity

#### **ANCC**

Mayo Clinic College of Medicine and Science designates this activity for a maximum of 0.75 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

#### **AAPA**

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 0.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

## **Educational Format and CE Requirements**

This CE session is available as a live presentation, including live webcast. Participants must complete the following to record attendance and obtain CE credit:

- 1. Attend the entire session.
- 2. Text the session code to 507-200-3010 within 48 hours of the live presentation to record attendance.
  - a. This number is only used for receiving text messages related to tracking attendance
  - b. Employees are encouraged to create a contact in their mobile phone, as the same number is used to record attendance for every session
- 3. Complete the online evaluation for the respective session within 2 weeks of live presentation.

Pharmacist CE credit is electronically transferred to the National Association of Boards of Pharmacy CPE Monitor. To track CE, please go to NABP CPE Monitor.

Non-pharmacist attendees can print out a record of attendance at ce.mayo.edu after completing the evaluation and claiming credit.

Live Webcast - access during presentation times Video Recording - access two weeks after session date

#### **Disclosure Statement**

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science (Mayo Clinic School of CPD) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Listed below are individuals with control of the content of this program:

The faculty report the following relationships:

- Laurel Lake, PharmD
  - o Declares no financial relationship(s) pertinent to this session
  - o Declares off-label use of devices and medications will not be discussed during this presentation

Course Director and Planning Committee Members declare no relevant financial relationship(s) pertinent to this session. Members include:

- Jennifer Elmer, DNP, APRN, CCNS
- Michael Huckabee, MPAS, PA-C, PhD
- Sarah Jane Kotval, BSW
- Wayne Nicholson, MD, PharmD, BCPS

- Garrett Schramm, PharmD, FCCP, BCPS
- Lee Skrupky, PharmD, FCCM, BCPS
- Brenda Stellmaker

For additional disclosure information regarding Mayo Clinic School of Continuous Professional Development accreditation review committee members visit ce.mayo.edu, About Us, Disclosures - or - https://ce.mayo.edu/content/disclosures

## System and Technical Requirements

For participants viewing the webcast, sessions are delivered via Mayo Clinic intranet web browser and Adobe® PDF. For participants viewing outside the Mayo Clinic firewall, a VPN connection is required for remote access. Recommended web browser includes Google Chrome. This session is planned and coordinated by **the Department of Pharmacy, Mayo Clinic.**
