Better Cef than Sorry: Beta-Lactam Monitoring in the ICU

ACPE Universal Activity Number (UAN):

JA0000238-0000-20-028-L01-P

Session Date: 05/26/2020

Session Time: 11:00 – 11:45 AM (CST)

Session Type: Knowledge-based

Session Fee: Free for Mayo Clinic staff

CE Credit Types: A maximum of 0.75 contact hour (0.075 CEU) for the following:

- AAPA Category 1 CME Credits
- ACPE
- *AMA PRA Category 1 Credits™*
- ANCC

Target Audience

This continuing education (CE) session was planned to meet the needs of professional staff who deal with the selection and monitoring of medication(s) as part of their patient care duties, including: pharmacists, RNs, APRNs, PAs, MDs.

Activity Overview

Since their discovery and subsequent commercialization in the 1940s, beta-lactam antibiotics have become the cornerstone of pharmacotherapy for infectious diseases. Of the 4 million ICU admissions in the United States annually, a large portion receive antibiotics, including beta-lactams, during their hospitalization. The pharmacokinetic alterations of critical illness have been well-described and the implications these alterations have on the efficacy and toxicity of beta-lactam antibiotics is of significant concern. The therapeutic drug monitoring of beta-lactams has emerged as a potential tool to individualize regimens for these agents in ICU patients. This presentation aims to summarize the literature describing the role of beta-lactam monitoring in the ICU and detail the practical considerations of its routine practice.

Learning Objectives

At the conclusion of this knowledge-based CE session, participants should be able to:

1. Describe the pharmacokinetic alterations of critical illness and the implications for beta-lactam optimization
2. Recognize the potential role of beta-lactam therapeutic monitoring in predicting drug effectiveness
3. Identify the potential role of beta-lactam therapeutic monitoring in recognizing drug toxicity

Faculty Information

Andrew J. Webb, PharmD

PGY1 Pharmacy Resident

Mayo Clinic Hospital - Rochester, MN

Andy received his Doctor of Pharmacy degree from the University of Rhode Island. He is a current PGY1 Pharmacy Resident at Mayo Clinic Hospital-Rochester and has practice interests in neurology, critical care, and infectious diseases.

Approved Provider Statement

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity is planned and implemented by Mayo Clinic College of Medicine and Science. Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statements

AMA

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 0.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACPE

Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 0.75 ACPE Knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity.

ANCC

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 0.75 ANCC nursing contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 0.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Educational Format and CE Requirements

This CE session is available as a live presentation, including live webcast.

Participants must complete the following to record attendance and obtain CE credit:

1. Attend the entire session.
2. Text the session code to 507-200-3010 within 48 hours of the live presentation to record attendance.
 - a. This number is only used for receiving text messages related to tracking attendance
 - b. Employees are encouraged to create a contact in their mobile phone, as the same number is used to record attendance for every session
3. Complete the online evaluation for the respective session within 2 weeks of live presentation.

Pharmacist CE credit is electronically transferred to the National Association of Boards of Pharmacy CPE Monitor. To track CE, please go to [NABP CPE Monitor](#).

Non-pharmacist attendees can print out a record of attendance at ce.mayo.edu after completing the evaluation and claiming credit.

[Live Webcast](#) - access during presentation times
[Video Recording](#) - access two weeks after session date

Disclosure Statement

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science (Mayo Clinic School of CPD) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Listed below are individuals with control of the content of this program:

The faculty report the following relationships:

- Andrew J. Webb, PharmD
 - Declares no financial relationship(s) pertinent to this session
 - Declares off-label use of devices and medications will not be discussed during this presentation

Course Director and Planning Committee Members declare no relevant financial relationship(s) pertinent to this session. Members include:

- | | |
|---|-------------------------------------|
| • Brenda Amaris | • Wayne Nicholson, MD, PharmD, BCPS |
| • Mary Ellen Cordes, MS, APRN, CNS, NE-BC | • Garrett Schramm, PharmD, BCPS |
| • Michael Huckabee, MPAS, PA-C, PhD | • Lee Skrupky, PharmD, BCPS |
