Mr. COVID & MIS-C: One Toxic Relationship

Session Date: 06/08/2021

Session Time: 11:00 – 11:45 AM (CST)

Target Audience

This continuing education (CE) session was planned to meet the needs of professional staff who deal with the selection and monitoring of medication(s) as part of their patient care duties, including pharmacists, RNs, APRNs, PAs, MDs.

Activity Overview

While the SARS-CoV-2 virus has rarely resulted in severe infection in children, a new clinical syndrome began to present itself in areas across globe with high incidences of COVID-19, suggesting a possible temporal relationship. Multisystem Inflammatory Syndrome in Children (MIS-C) is a newly discovered clinical syndrome with high morbidity and a close resemblance to other pediatric inflammatory conditions, including Kawasaki disease and toxic shock syndrome. MIS-C is characterized by intense gastrointestinal symptoms, cardiac abnormalities, acute inflammation, mucocutaneous changes and multi-organ involvement. Long-term complications and optimal medical management are still largely unknown. In this presentation, we will describe MIS-C epidemiology, identify key findings that distinguish this syndrome from others, and explore current treatment options for children.

Learning Objectives

At the conclusion of this knowledge-based CE session, participants should be able to:

1. Describe the epidemiology of MIS-C
2. Outline key similarities and differences between MIS-C and other comparable pediatric conditions
3. Discuss current potential therapeutic options for the treatment of MIS-C

Faculty Information

Natalie A. Haddad, PharmD
PGY1 Pharmacy Resident
Mayo Clinic Hospital - Rochester

Natalie received a Doctor of Pharmacy degree from the University of Minnesota Twin Cities. She is a current PGY1 Pharmacy Resident at Mayo Clinic Hospital in Rochester and will be pursuing a PGY2 in Critical Care at the University of Chicago Medical Center next year. Her interests include critical care, emergency medicine, and pediatrics.

Approved Provider Statement

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity is planned and implemented by Mayo Clinic College of Medicine and Science. Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statements

AMA

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 0.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACPE

ACPE Universal Activity Number (UAN): JA0000238-0000-21-004-L01-P
Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 0.75 ACPE Knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity

ANCC

Mayo Clinic College of Medicine and Science designates this activity for a maximum of 0.75 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 0.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Educational Format and CE Requirements

This CE session is available as a live presentation, including live webcast.
Participants must complete the following to record attendance and obtain CE credit:

1. Attend the entire session.
2. Text the session code to 507-200-3010 within 48 hours of the live presentation to record attendance.
 - a. This number is only used for receiving text messages related to tracking attendance
 - b. Employees are encouraged to create a contact in their mobile phone, as the same number is used to record attendance for every session
3. Complete the online evaluation for the respective session within 2 weeks of live presentation.

Pharmacist CE credit is electronically transferred to the National Association of Boards of Pharmacy CPE Monitor. To track CE, please go to [NABP CPE Monitor](#).

Non-pharmacist attendees can print out a record of attendance at ce.mayo.edu after completing the evaluation and claiming credit.

Live Webcast - access during presentation times

Video Recording - access two weeks after session date

Disclosure Statement

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science (Mayo Clinic School of CPD) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Listed below are individuals with control of the content of this program:

The faculty report the following relationships:

- Natalie A. Haddad, PharmD
 - Declares no financial relationship(s) pertinent to this session
 - Declares off-label use of medications will be discussed during this presentation, including:
 - Anakinra
 - Aspirin
 - Infliximab
 - Intravenous immunoglobulin
 - Tocilizumab

Course Director and Planning Committee Members declare no relevant financial relationship(s) pertinent to this session. Members include:

- | | |
|-------------------------------------|---------------------------------------|
| • Jennifer Elmer, DNP, APRN, CCNS | • Garrett Schramm, PharmD, FCCP, BCPS |
| • Michael Huckabee, MPAS, PA-C, PhD | • Lee Skrupky, PharmD, FCCM, BCPS |
| • Sarah Jane Kotval, BSW | • Brenda Stellmaker |
| • Wayne Nicholson, MD, PharmD, BCPS | |

For additional disclosure information regarding Mayo Clinic School of Continuous Professional Development accreditation review committee members visit ce.mayo.edu, About Us, Disclosures - or - <https://ce.mayo.edu/content/disclosures>

System and Technical Requirements

For participants viewing the webcast, sessions are delivered via Mayo Clinic intranet web browser and Adobe® PDF. For participants viewing outside the Mayo Clinic firewall, a VPN connection is required for remote access. Recommended web browser includes Google Chrome. This session is planned and coordinated by the Department of Pharmacy, Mayo Clinic.
