Log in using your professional account log in. The professional account allows you to manage one username and password for business that you may do with Mayo Clinic. For example, if you have referred a patient to Mayo Clinic, the same username and password can be used to log into this site.

If you do not have a professional account, the first step is to create and activate a Mayo Clinic Professional account.

NOTE: Remember your username and password as they are required to access your account to view the syllabus, claim credit and access your transcript.
