Dear Representative,

On behalf of Mayo Clinic's Department of Otolaryngology and Mayo School of Continuous Professional Development, I am pleased to announce Mayo Clinic's **"10<sup>th</sup> Annual Multidisciplinary Transoral Surgery for Head and Neck Cancer"** continuing medical education activity that will be held February 22-25, 2017 at Mayo Clinic in Phoenix, Arizona. I invite you and your company to exhibit at this continuing medical education activity. Exhibits will be offered on February 22-24. The exhibit fee is \$3,000. Space is limited; early registration is advised.

As you can see from the attached program, we have designed an excellent course to give otolaryngologists, head and neck surgeons, oral maxillofacial surgeons, head and neck oncologists, and radiation oncologists a focused educational experience in transoral endoscopic techniques for resecting primary head and neck tumors. Both transoral laser and robotic surgery will be featured, as well as flexible laser surgery in inpatient and outpatient environments.

If you will join us, please complete the attached exhibitor agreement and return it with your payment (made payable to Mayo Clinic in Arizona) to Mayo School of Continuous Professional Development, Attn: Kristy Badder, 13400 East Shea Boulevard, Scottsdale, AZ 85259. Please denote course activity **#17S04878** on all correspondence. Mayo Clinic's Tax ID number is 86-0800150; our W-9 form is attached for your convenience.

To maintain a clear separation of promotion from education, exhibits will be located adjacent to where the educational sessions will be held. Displays should be staffed during breakfasts, breaks, and lunches February 22-24, times are denoted on the attached program.

We hope you will join us in Phoenix in February!

Sincerely,

A handwritten signature in black ink that reads "Michael L. Hinni MD".
