Dear Representative,

We, and the Mayo Clinic and Mayo School of Continuous Professional Development, would like to invite you to exhibit at our **EDGE Endourology & Enucleation Symposium** being held at the Mayo Clinic Center for Procedural Innovation in Scottsdale, Arizona, on January 19-20, 2018. We expect approximately 40 urologists to be in attendance.

The program is designed to give the background on the latest techniques and technology surrounding Endourology and the use of Holmium Lasers in Urology for the management of various diseases. It will also focus on the management of Urolithiasis and Benign Prostatic Hyperplasia. Sessions will include the use of lasers and their effects as a mechanism of action on tissue, kidney stones and benign prostatic hyperplasia. Throughout the course, **3.5 hours have been protected as dedicated exhibitor time for attendees and industry to visit one-on-one.**

The fee to exhibit at this course is \$2,750. Space is limited; early registration is encouraged. To maintain a clear separation of promotion from education, all exhibits will be held in a different room/location than where the general sessions are held. Exhibits are open from registration until the conclusion of the final lecture on the last day. The basic exhibit fee will include a 6' skirted table for a table top display; the attendee list including name, degree, city, state to be distributed at the course; and an acknowledgement with signage and announcements during the course.

****NEW – Mayo Clinic now offers a variety of sponsorship opportunities for industry support! Please refer to the attached sponsorship description page for available opportunities!**

A signed and returned exhibitor agreement (attached) will confirm your exhibit space. Payment may be completed by sending your check made payable to (Mayo Clinic Arizona), Mayo School of Continuous Professional Development, Attn: Kristy Badder, 13400 East Shea Boulevard, Scottsdale, AZ 85259. Please denote course activity# **18S05773** on all correspondence. The Mayo Clinic Tax ID number is 86-0800150.

If you have any questions about our program or need additional information, please don't hesitate to contact us directly at 480-301-4580 or send an e-mail to Kristy Badder, exhibits manager, at Exhibits@Mayo.edu.

Our programs provide valuable information on unmet needs to the medical community. It is not possible to hold these meetings without significant contributions from industry like yours. We sincerely appreciate your consideration of this opportunity to join us for a truly unique educational program.

Sincerely,

Sponsorship Opportunities

Lanyards - \$2,000.00 (sponsor provided pre-printed lanyards; limited to one organization)

Every attendee is required to wear a name badge, so what better way to advertise your company than with your logo on a lanyard! Why ruin a perfectly good shirt with a pin hole from a name badge, when they could be wearing it on your company lanyard! (Quantity to be determined 60 days before course)

Drawstring Bags - \$3,000.00 (sponsor provided pre-printed drawstring bags; limited to one organization)

Help keep course attendees organized by providing them with a drawstring bag to carry their course materials in with your company's logo on it! Drawstring bags to be provided by sponsor; artwork and bag are subject to MCSCPD approval. (Quantity to be determined 60 days before course)

Hotel Key Cards - \$4,000.00 (limited to one organization)

Personalize hotel guest room keys with your company's logo or product promotion for immediate exposure to attendees. Use this as a great way to introduce yourselves to our attendees upon checking into the host hotel. (Artwork to be provided by sponsoring company. Artwork is subject to MCSCPD approval. Artwork due to Mayo Clinic by Nov. 1st)

Conference Bag Inserts - \$1,500.00 each (multiple opportunities available)

Conference bag inserts are a great opportunity to invite attendees to your booth, announce your booth participation or conference-related event. Your company will provide 100 copies of the flyer or advertisement (no larger than 8 ½ x 11, no more than one page) and MCSCPD will stuff them into the official conference bags. A limited number of bag inserts are permitted, so early reservation is encouraged. Artwork is subject to MCSCPD approval.
