Dear Representative,

We, and the Mayo Clinic and Mayo School of Continuous Professional Development, would like to invite you to exhibit at our ***Mayo Clinic Gastrointestinal Cancers 2019: Current and Emerging Strategies in Multidisciplinary Care*** course being held at the Hyatt Regency La Jolla in San Diego, California, on March 14-16, 2019. We expect approximately 100 Medical Oncologists, Radiation Oncologists, Surgical Oncologists, GI Surgeons, Gastroenterologists and Hepatologists involved in cancer care, Interventional Radiologists, Pharmacists, Nurse Practitioners, Physician Assistants, and Nurses and any healthcare professional involved in the care of GI malignancies to be in attendance.

This three-day live activity is unique in its multidisciplinary format, its focus, its comprehensive nature, and its practical appeal. This course will provide a comprehensive yet practical update of the state-of-the-art care of patients with GI malignancies including the evolving landscape of scientific advancements in the field. The primary goal of this course is to guide practicing physicians on integrating the best and most current evidence into their day-to-day routine care for patients with GI cancers. This course will also bring a practical perspective on how to optimize multidisciplinary care for some of the more complex clinical management decisions in GI oncology including but not limited to: locoregional modalities, the role of minimally invasive procedures and state-of-the-art radiation modalities.

Mayo Clinic is proud to offer exhibit and sponsorship opportunities. The fee to exhibit at this course is \$3,500. Sponsorship opportunities are detailed on page 4. Space is limited; early registration is encouraged. To maintain a clear separation of promotion from education, all exhibits and sponsorship opportunities will be distributed and held in a different room/location than where the general sessions are held. Exhibits are open from registration until the conclusion of the final lecture on the last day. The basic exhibit fee will include a 6' skirted table for a table top display; the attendee list including name, degree, city, state to be distributed at the course; and an acknowledgement with signage and announcements during the course. Throughout the course, more than **5 hours have been protected as dedicated exhibitor time for attendees and industry to visit one-on-one.**

A signed and returned Exhibitor and Sponsorship agreement (attached) will confirm your exhibit space and/or sponsorship. Payment may be completed by sending your check made payable to (Mayo Clinic Arizona), Mayo School of Continuous Professional Development, Attn: Kristy Badder, 13400 East Shea Boulevard, Scottsdale, AZ 85259. Please denote course activity# **19S06154** on all correspondence. The Mayo Clinic Tax ID number is 86-0800150.

If you have any questions about our program or need additional information, please don't hesitate to contact us directly at 480-301-4580 or send an e-mail to Kristy Badder, exhibits manager, at Exhibits@Mayo.edu.

Our programs provide valuable information on unmet needs to the medical community. It is not possible to hold these meetings without significant contributions from industry like yours. We sincerely appreciate your consideration of this opportunity to join us for a truly unique educational program.

Sincerely,
