

# Mayo Clinic COVID-19: Expert Insights and Strategies Online CME Course

## COVID-19: Where do we go from here?

(Recorded 09/29/2020)

### **Activity Description**

Angela M. Donaldson, M.D. of the Department of Otolaryngology at Mayo Clinic in Florida discusses the next steps for this pandemic with her panel of experts. The panel members explain benefits and barriers to telemedicine, contact tracing, and partnerships for community health. Each member discusses what they have learned from their institutions to help everyone cope with COVID-19. This presentation provides an overview of how communities can respond to the pandemic moving forward.

### **Target Audience**

Healthcare workers of all specialties who are being impacted by COVID-19, including physicians, research scientists, physician assistants, nurse practitioners, nurses, and anyone with a particular interest in prevention, treatment, and patient care.

### **Learning Objectives**

Upon completion of this activity you will be able to:

1. Discuss the benefits and barriers to using telemedicine from a historical and future perspective.
2. Describe the benefits, barriers, and recommendation for contact tracing in urban/rural communities.
3. Describe the role and benefit of community partnership in addressing COVID-19.

Utilization of this Mayo Clinic online (enduring materials) course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be in this course. Attendance at any Mayo Clinic course does not indicate or guarantee competence or proficiency in the skills, knowledge or performance of any care or procedure(s) which may be discussed or taught in this course.

### **Accreditation Statement**

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

### **Credit Statement(s)**

#### **AMA**

The Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 0.75 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### **ANCC**

The Mayo Clinic College of Medicine and Science designates this activity for a maximum of 0.75 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

## **Disclosure Summary**

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

### *Financial relationship(s):*

None

### *No Financial relationship(s):*

Devyani Lal, M.D.

Angela Donaldson, M.D.

Ivan Porter, II M.D.

Monica Albertie

Ross Jones, M.D.
