

Mayo Clinic COVID-19: Expert Insights and Strategies Online CME Care During the Pandemic: Maintaining & Optimizing Effective Inpatient Care – Panel Discussion (Recorded 11/20/2020)

Activity Description

In this session Mayo Clinic experts share their experiences to-date in navigating the COVID-19 pandemic and to assure effective inpatient care and resource management. Panelists review lessons learned from the first surge as well as plans for preparedness and response to future surges. Topics include necessary changes made in inpatient care areas as well as common areas, patient and staff safety, strategies used for optimizing hospital capacity, and the significant role laboratory medicine played in the Mayo Clinic practice setting.

Target Audience

This session is designed for healthcare workers of all specialties who are impacted by COVID-19, including physicians, research scientists, physician assistants, nurse practitioners, nurses, and anyone with an interest in prevention, treatment, and patient care.

Learning Objectives

Upon completion of this activity, participants should be able to:

- Share strategies and barriers in care of patients needing hospitalization.
- Discuss methods to enhance occupational and patient safety.
- Describe the role of modeling in mitigating impact of the pandemic on inpatient care

Utilization of this Mayo Clinic online (enduring materials) course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be in this course. Attendance at any Mayo Clinic course does not indicate or guarantee competence or proficiency in the skills, knowledge or performance of any care or procedure(s) which may be discussed or taught in this course.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statements

AMA

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 1.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 1.25 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals

A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

Disclosure Summary

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Relevant financial relationship(s) with industry:

None

No relevant financial relationship(s) with industry:

Alyssa B. Chapital, M.D., Ph.D.

Sean W. Glenn

Erin J. Kaleta, Ph.D.

Jenny Kundert, C.M.P.

Devyani Lal, M.D.

References to off-label and/or investigational usage(s) of pharmaceuticals or instruments in their presentation:

None
