

# Mayo Clinic COVID-19: Expert Insights and Strategies Online CME

## An Update on COVID-19 with Stacey Rizza, M.D., FIDSA

(Recorded 12/01/2020)

### **Activity Description**

As the COVID-19 pandemic continues to evolve, so does our understanding of the disease. Mayo Clinic infectious diseases specialist Stacey A. Rizza, M.D., presents an updated overview of COVID-19 and the causative agent SARS-CoV-2. She covers the emerging risk factors associated with poor prognosis, the symptoms timeline, stages of disease progression, and how these stages impact our treatment decisions.

### **Target Audience**

Healthcare workers of all specialties who are being impacted by COVID-19, including physicians, research scientists, physician assistants, nurse practitioners, nurses, and anyone with a particular interest in prevention, treatment, and patient care.

### **Learning Objectives**

Upon completion of this activity you will be able to:

- Recall the timeline of the symptoms after infection with SARS-CoV-2
- List the emerging risk factors for COVID-19 associated with poor prognosis
- Describe the stages of disease progression

Utilization of this Mayo Clinic online (enduring materials) course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be in this course. Attendance at any Mayo Clinic course does not indicate or guarantee competence or proficiency in the skills, knowledge or performance of any care or procedure(s) which may be discussed or taught in this course.
