

Monoclonal Antibodies and Other Novel Therapeutics in COVID-19 Treatment - Webinar Series **June 23, 2021 Webinar – “Black Fungus” in the Indian Subcontinent: Prevention and Cure - ONLINE**

Activity Description

This series of four 90-minute webinars features Mayo Clinic experts discussing monoclonal antibodies and other novel therapeutics in COVID-19 treatment. This Webinar recording is now available.

On **Wednesday, June 23**, Mayo Clinic and guest experts discussed the probable causes of the COVID-19 associated rhino-orbital mucormycosis (“black fungus”) crisis in India, as well as therapeutic strategies for COVID-19 that can help to mitigate risks. In addition to medical and surgical treatment options, the role of monoclonal antibodies in high-risk patients will be addressed.

Target Audience

Healthcare providers in all specialties who are being impacted by COVID-19, including physicians, research scientists, physician assistants, nurse practitioners, nurses, and caregivers with a particular interest in prevention, treatment, and patient care.

Learning Objectives

Upon conclusion of this segment, participants should be able to:

- Explain probable causes of the COVID-19 associated rhino-orbital mucormycosis (“black fungus”) crisis in India.
- Outline therapeutic strategies for COVID-19 that mitigate risk of mucormycosis.
- Highlight the specific role of monoclonal antibodies in high-risk COVID-19 patients at risk of mucormycosis.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)

AMA

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 1.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 1.50 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AOA

The American Osteopathic Association designates this program for a maximum of 1.50 AOA Category 2-A credits.

Other Healthcare Professionals

A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Disclosure Summary

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Financial relationship(s):

- Devyani Lal, M.D.
Consultant for GlaxoSmithKline (Participation as a speaker in an industry-sponsored educational panel.)

No Financial relationship(s):

- Arun Kumar Agarwal, D., SC.
- Amit K. Ghosh, M.D., M.B.A.
- Alok Thakar, M.S., F.R.C.S.
- H. R. Vikram, M.D.
- Whitney Prewitt
