

## Center for Individualized Medicine Online Learning

### Genomics and Oncology: Hereditary Breast and Ovarian Cancer: BRCA1 & BRCA2

#### Activity Description

Hereditary Breast and Ovarian Cancer: BRCA1 and BRCA2," intended for Genetic Counselors and other patient care providers, provides an overview on key features of hereditary and sporadic cancer, describes cancer risks associated with these types of hereditary cancer, and identifies resources for current guidelines to manage BRCA1 and BRCA2 pathogenic variant carriers.

#### Target Audience

This activity is appropriate for physicians, pharmacists, physician assistants, resident/fellows, nurses, nurse practitioners, and other health care team members.

#### Learning Objectives\*

Upon conclusion of this activity, participants should be able to:

- Identify key features of hereditary and sporadic cancer
- Describe cancer risks associated with the genes BRCA1 and BRCA2
- Summarize medical management for BRCA1 and BRCA2 pathogenic variant carriers

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

#### Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

#### Credit Statement(s)

##### AMA

The Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

##### ANCC

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of .25 ANCC contact hour. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

#### Course Director

Timothy B. Curry, M.D., Ph.D.

#### Faculty

Jennifer L. Kemppainen, M.S., CGC

#### Disclosure Summary

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias

have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.
