Department of Psychiatry and Psychology

Mayo Clinic and Mayo Clinic Health System

The Mayo Clinic Department of Psychiatry and Psychology invites you to consider these exciting Addictions career opportunities:

ADDICTIONS PSYCHIATRIST AT MAYO CLINIC IN ROCHESTER, MINNESOTA

The position involves outpatient and residential care of individuals with substance use disorders, as well as working with patients in the medication assisted therapy clinic. As anÁ academic institution, active engagement in research and education is expected with new resources available for program development and scholarly pursuits. Faculty appointment will be commensurate with experience. Education/supervision opportunities are abundant with students, residents, and addiction fellows. Opportunities to collaborate with closely aligned services in pain management, transplant psychiatry, and community-based care are also available.

Mayo Clinic Addiction Services have a nearly 50- year legacy of providing psychiatrist-directed holistic addiction treatment in outpatient and residential settings. The Mayo model of care involves a multi-disciplinary team offering evidenced-based biologic and psychosocial treatments in a patient-focused, highly professional, and compassionate environment. Our practice is within driving distance to the major metropolitan areas of Minneapolis and St. Paul.Á **Please visit jobs.mayoclinic.org to apply, and reference** dcgl³b[`, %((*+6 F "

SUBSTANCE USE DISORDERS PhD./PsyD. PSYCHOLOGIST AT MAYO CLINIC HEALTH SYSTEMINLACROSSE, WI

Mayo Clinic Health System is a family of clinics, hospitals, and other health care facilities serving over 70 communities in Minnesota, Iowa, and Wisconsin. Sharing Mayo Clinic's primary value of "the needs of the patient come first," Mayo Clinic Health System links the expertise of Mayo Clinic in practice, education, and research with the health-delivery systems of our local communities. Today, more than 1000 physicians practice in the health system.
