Hospital Medicine for NPPAs CME Booster Pack

Activity Description
The Booster Pack online course is both a supplement and a standalone CME offering, in addition to previously recorded Live courses and Liver Streamed material. This will serve as an educational adjunct between the October recorded course and the May Livestream event and maintain offerings for our traditional audience as well as appealing to new participants.

Target Audience
This activity is appropriate for Physician Assistants, Nurse Practitioners, Nurses, Physicians, Pharmacists, Students, and Allied Health Professionals.

Learning Objectives
Upon conclusion of this activity, participants should be able to:
- Review workup of anemia in hospitalized patients an evidence-based transfusion strategies
- Identify most up to date evidenced based management of COVID19 patients
- Recognize laboratory abnormalities in hospitalized patients and how to appropriately treat.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement
In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)
AMA
Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 12.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAPA
Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. Approval is valid until 02/22/2024. This activity is designated for 12.50 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

ANCC
Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 12.50 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals
A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.
Disclosure Summary
As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Listed below are individuals with control of the content of this program who have disclosed...

Relevant financial relationship(s) with industry:
Lisa A. Kottschade, APRN, C.N.P. Grant/Research Support Bristol Myers Squibb

No relevant financial relationship(s) with industry:
Amanda J. Chaney, APRN, D.N.P.
Alice Gallo De Moraes, M.D.
Chandrasagar (Sagar) Dugani, M.D., Ph.D.
Lisa R. Hardesty, Ph.D., L.P.
Andrew J. Herber, P.A.-C.
A. Scott Keller, M.D., M.S.
Gautam V. Matcha, M.D.
Elizabeth A. Mauricio, M.D.
Sandeep R. Pagali, M.D. M.P.H.
William C. Palmer, M.D.
Rebecca R. Parry, APRN, M.P.H.
Nancy E. Pitruzzello, D.N.P., APRN, M.S.N.
Steven Porter, M.D.
Syed Ahsan Rizvi, M.D.
Christian D. Santos, APRN
Katy M. Wert, P.A.-C.
Daniel P. Montero, M.D.
Jamie S. Newman, M.D., M.H.A.
Brianna M. Skrukrud, APRN, C.N.P.

References to off-label and/or investigational usage(s) of pharmaceuticals or instruments in their presentation:
Lisa A. Kottschade, APRN, C.N.P. Vedolizumab, Infliximab, Rituximab, Omalizumab
Gautam V. Matcha, M.D. Gilead- Remdesivir
Sandeep R. Pagali, M.D., M.P.H. Genentech-Tocilizumab
Rebecca R. Parry, APRN, M.P.H. Humanigen-Lenzilumab

Disclaimer
Participation in this Mayo Clinic educational activity does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course. You should be aware that substantive developments in the medical field covered by this recording may have occurred since the date of original release.

Prerequisites for Participation
There are no prerequisites needed prior to participating in this education activity.
Method of Participation
Participation in this activity consists of reviewing the educational material, completing the learner assessment and evaluation.

How to Obtain Credit
To obtain credit, complete the assessment, evaluation and submit.

Release and Expiration Dates
Release Date: February 23, 2021
Expiration Date: February 22, 2024

Acknowledgement of Commercial Support
No commercial support was received in the production of this activity.
