

Psychiatry Board Review - Online

Activity Description

The Psychiatry Board Review course is unlike any other psychiatry board review course. It is aimed at graduating residents and psychiatrists who are certifying or re-certifying for their American Board of Psychiatry and Neurology (ABPN) boards – as well as psychiatrists looking to increase their overall fund of knowledge. Unlike question banks and online topic reviews, this course intentionally integrates self-assessments, focused lectures, and repeated quizzes.

Target Audience

This course is designed for physicians, psychologists, residents, and fellows who are preparing for the psychiatry board examination.

Learning Objectives*

Upon conclusion of this activity, participants should be able to:

- Articulate evidence-based treatment strategies for common and rare psychiatric illnesses.
- Identify areas of relative knowledge deficit relative to a peer group of psychiatrists.
- Use clinical reasoning and judgment to safely and effectively make clinical decisions based on best medical evidence.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement*

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)*

AMA

Mayo Clinic College of Medicine and Science designates this online activity for a maximum of 25.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABPN

The American Board of Psychiatry and Neurology has reviewed the Mayo Clinic Psychiatry Board Review course and has approved this program as part of the Maintenance of Certification Self-Assessment (SA) Program, which is mandated by the ABMS as a necessary component of Maintenance of Certification.

This activity awards up to 25.50 Category 1 CME and 72 Self-assessment credits (consisting of three exams; each exam awarding 24 SA credits). The approval period is June 1, 2020 – May 31, 2023.

Disclosure Summary*

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Financial relationship(s):

Name	Nature of Relationship	Company
William V. Bobo, M.D., M.P.H.	Other	Royalties from contributed chapters for UpToDate; research sponsored by NIMH, AHRQ, Mayo Foundation
Paul E. Croarkin, D.O., M.S.	Consultant Grant/Research Support Other	Proctor and Gamble and Company NeuroStar Advanced Therapy, NeoSync, Inc. AssureRx Clinical TMS Society (Current President and Board of Directors)

No Financial relationship(s):
