**Presenter's Name:** Jan A. Anderson, PharmD, RPh

Dr. Jan Anderson has been a member of the Mayo Clinic staff since 2002. Currently, she practices in the Rochester primary care Anticoagulation Clinic as well as Cardiology Heart Failure clinic, supervises the Mayo Midwest Anticoagulation Clinic Pharmacists, and serves as the Ambulatory Care Pharmacist on the Mayo Clinic Enterprise Anticoagulation & Antiplatelet Stewardship Program. She has been involved in Epic convergence and implementation for Anticoagulation throughout the Mayo Clinic Enterprise, including input into Ask Mayo Expert Anticoagulation topics. In addition to supervising anticoagulation clinic pharmacists, she is Senior Clinical Manager of other Medication Management Service pharmacists. She is board certified in Pharmacotherapy and Ambulatory Care pharmacy as well as an Assistant Professor of Pharmacy with the Mayo College of Medicine. She precepts pharmacy students and residents and has a love of education. Currently, she is Residency Program Director for the PGY2 Ambulatory Care Pharmacy residency in Rochester.
