

# Mayo Clinic 29th Audiology Conference: Updates from the Forefront of Hearing Health Online CME Course

## Activity Description

Mayo Clinic's 29th Audiology Conference, online CME course is designed for audiologists, audiology students, otorhinolaryngologists, and others with an interest in hearing healthcare, dizziness and balance. The course will focus on innovations in access to, diagnosis, and management of hearing healthcare; tools that assist with best pathways to care, and translational research that incorporates use of technology and electronic health information systems for delivery. Expert faculty will lead this interactive online CME session.

## Target Audience

This course is designed for audiologists, audiology students, otorhinolaryngologists, and others with an interest in hearing healthcare, dizziness and balance.

## Learning Objectives

Upon conclusion of this activity, participants should be able to:

- Identify one consumer-driven hearing health care solution.
- List two new bone-conduction solutions for treatment of hearing loss.
- Name one option for hearing/ear protection against cisplatin ototoxicity.
- Identify one tool that can be used for hearing screening/evaluation that does not utilize a booth.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

## Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

## Credit Statement(s)

### AMA

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 3.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ASHA

**ASHA CE**  
**APPROVED PROVIDER**

Mayo Clinic School of Continuous  
Professional Development

Intermediate level, Professional area  
.35 ASHA CEUs

## Other Healthcare Professionals

A record of attendance will be available to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

## Disclosure Summary

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of

pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

***Listed below are individuals with control of the content of this program who have disclosed...***

***Relevant financial relationship(s) with industry:***

<b>Name</b>	<b>Nature of Relationship</b>	<b>Company</b>
Katharine Fernandez, Au.D., Ph.D.	Full-time / Part-time Employee	National Institute of Health, Department of Health and Human Services
Gayla L. Poling, Ph.D.	Full-time / Part-time Employee	Full-time employee of the Mayo Clinic. I also disclose that Mayo Clinic has filed a patent on some of the technology evaluated in the talk (GoAudio; Patent Application No: 15/987,063; Filed: 05/23/2018).
Aniket A. Saoji, Ph.D.	Consultant	Advanced Bionics and Envoy Medical

***No relevant financial relationship(s) with industry:***

Jamie M. Bogle, Au.D., Ph.D.	Devin L. McCaslin, Ph.D.
Shannon M. Halvorson	Greta C. Stamper, Au.D., Ph.D.
Cynthia A. Hogan, Ph.D.	David A. Zapala, Ph.D.
Dorinda L. Johnson	

***References to off-label and/or investigational usage(s) of pharmaceuticals or instruments in their presentation:***

Katharine Fernandez, Au.D., Ph.D.	Pfizer	atorvastatin

**Disclaimer**

Participation in this Mayo Clinic educational activity does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course. You should be aware that substantive developments in the medical field covered by this recording may have occurred since the date of original release.

**Prerequisites for Participation**

There are no prerequisites needed prior to participating in this education activity.

## **Method of Participation**

Participation in this activity consists of reviewing the educational material, completing the learner assessment and evaluation.

## **How to Obtain Credit**

To obtain credit, complete the assessment, evaluation and submit.

## **Release and Expiration Dates**

Release Date: November 22, 2021

Expiration Date: November 22, 2024

## **Acknowledgement of Commercial Support**

No commercial support was received in the production of this activity.

## **Faculty and Course Director Listing and Credentials**

Course Directors
