JUZO COMPRESSION WRAP

Short Stretch Compression Wrap

Versatile & Effective Therapy

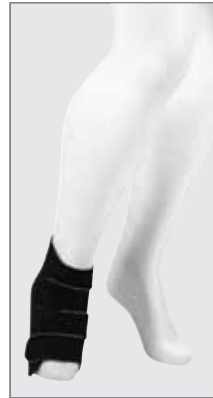

The Juzo Compression Wrap is an effective and versatile short stretch garment that can be used as an alternative to conventional multi-layer bandages. The fasteners make it easy to put on and adjust for fluctuations in body shape and size. They can also be removed and the wrap can be machine wash and dried. The wrap helps manage poor circulation, leg ulcers, swelling and lymphedema

REVERSIBLE
beige or black garment
