

**CLINICAL TMS SOCIETY
2016 ANNUAL MEETING**

Thursday, May 12– Saturday, May 14, 2016 – Atlanta, Georgia

CALL FOR ABSTRACTS for POSTER SESSION

GUIDELINES AND INSTRUCTIONS FOR SUBMISSIONS

Criteria: Abstracts should contain original material relevant to the field of Transcranial Magnetic Stimulation. The abstracts will be rated by a committee of the Society and finalists will be chosen based upon scientific merit, quality of presentation, and compliance with these guidelines and instructions. **Authors will be notified of the committee’s decision via email two weeks post submission deadlines.**

Technical Requirements:

- The abstracts must be submitted electronically via email, as both a Microsoft word document(.doc), and a PDF.
- Abstracts should include the title, all authors’ names and affiliations
- Abstracts should be organized under the following five headings: Objective, Background, Design/Methods, Results, and Conclusions.
- Abstracts are not to exceed 250 words
- Abstracts should include any pertinent disclosures regarding the research

If submitting more than one abstract, please e-mail them separately.

Important dates:

- **Closing dates for abstract submissions:** Friday, February 19th, 2016 (.doc and pdf format)
- **FINAL Draft submission for the selected abstracts:** Friday, May 6th, 2016 (pdf format)
- **Poster Display of abstracts:** Thursday, May 12th- Saturday, May 14th (posters to be brought in format to display; maximum size 4’ X 5’ poster)
- **Presentation:** Friday, May 13, 2016 (requires an author’s presence for two (2) hours)
