COURSE DESCRIPTION

This course is designed for medical providers who care for patients with neurological emergencies, acute stroke and brain hemorrhage, acute brain injury, coma and neurological disorders that require hospital, Emergency Department and Intensive Care Unit (ICU) evaluation and management. The course will provide a mixture of didactic, case-based, and evidence-based guideline review, as well as hands-on workshops in central line placement, critical care ultrasound including focused cardiac and lung ultrasound, transcranial Doppler ultrasound, intracranial monitoring and bolt placement, hypothermia and targeted temperature management (TTM), ICU EEG, and multimodal monitoring case review.

COURSE LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Demonstrate enhanced medical knowledge by updates in neurological emergencies and national guidelines for acute ischemic stroke, subarachnoid hemorrhage and traumatic brain and spinal cord injury
- Utilize interactive sessions in ICU EEG and hypothermia, and hands-on workshops for airway and mechanical ventilation, central lines, critical care ultrasound, intracranial device placement

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE

Medical providers from a broad array of disciplines including Emergency Medicine, Neurology, Neurosurgery, Intensivists from Pulmonary, Anesthesia, and Neuro Intensive Care backgrounds as well as ARNP/PA, paramedics/EMS medical personnel, and allied health providers including physical, occupational, and speech therapists who care for patients with these neurological emergencies, or in a Neuro ICU or ICU with these patients are encouraged to attend.

CREDIT

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a

maximum of 18.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This course is eligible for Accreditation Council for Pharmacy Education (ACPE) credits. The exact number of credits has yet to be determined.

Additional CME and self-assessment credits toward Part 2 Maintenance of Certification will be offered.

Other Health Care Professionals

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

GRANTS AND EXHIBITS

At the time of this printing, a complete listing of commercial supporters (financial or in-kind) was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.

Exhibits will be available for viewing at all scheduled breaks.

DATE AND LOCATION

The Neuro Critical Care Review and Workshops: Fundamentals and Complex Multidisciplinary Care course is held May 14-16, 2015. Course headquarters are located in Loews Royal Pacific, Orlando, Florida.

REGISTRATION

Visit <https://ce.mayo.edu/neurology-and-neurologic-surgery/node/2725>

The registration fee includes tuition, comprehensive electronic course syllabus, continental breakfasts, lunches and break refreshments. Although it is not Mayo School of Continuous Professional Development (CPD) policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Contact us at cme-jax@mayo.edu or 800-462-9633 with any questions that you may have.
