RECREATION/LEISURE ACTIVITIES

Kauai is the tropical centerpiece of Hawaii, full of outdoor activities, attractions and culture. It is Hawaii's fourth largest island and is sometimes called the "Garden Isle," which is an entirely accurate description. The oldest and northernmost island in the Hawaiian chain is draped in emerald valleys, sharp mountain spires and jagged cliffs, aged by time and the elements. Centuries of growth have formed tropical rainforests, forking rivers and cascading waterfalls. Some parts of Kauai are only accessible by sea or air, revealing views beyond your imagination.

From the soaring cliffs of the Napali Coast to the vast chasms of Waimea Canyon, Kauai embraces the senses like no other destination. Explore the island via land, sea or air to experience settings you've only dreamed about. Discover 50-miles of heavenly beaches from Poipu Beach to Hanalei Bay. Explore charming and historic small towns like Hanapepe and Koloa where no building is taller than a coconut tree. With so much to experience, "Hawaii's Island of Discovery," is begging to be explored.

Visit www.gohawaii.com/kauai for additional recreation and leisure activity information. It is recommended that you make your reservations and plan your activities in advance.

TRANSPORTATION

Ground Transportation: There are several modes of transportation available for guests when they arrive at Lihue Airport. A shuttle service is available with advance reservations. Rates are based on the number of people, final destination and shared or exclusive travel. Taxis are located curbside at the baggage claim areas. The approximate cost of a taxi from Lihue Airport to our Kauai luxury hotel is \$50 USD, one way. The hotel concierge can assist you in making any arrangements for transportation.

Hertz offers a reduced daily rate for participants attending the course. Call (800) 654-2240 (toll-free) and refer to CV Number 03NR0010 when making reservations.

Speedi Shuttle: Airport/Hotel shuttle service reservations, call (877) 242-5777 (toll-free).

Airport: Kauai's main airport is Lihue Airport (LIH) in southeastern Lihue. Many airlines now offer non-stop service to Kauai. You can also fly into Honolulu International Airport (HNL) on Oahu and then continue on to Kauai via a short, 25-minute flight.
