

Mayo Clinic Hospital Medicine: Managing Complex Patients

American Board of Internal Medicine Maintenance of Certification Learning Session: 2018 – 2019 Update in Hospital Medicine

Thursday, November 8, 2018 ♦ 12:30 – 3:30 p.m.
Fee: \$150 (lunch included) ♦ Pre-registration required.

DESCRIPTION

The American Board of Internal Medicine (ABIM) Maintenance of Certification (MOC) Medical Knowledge Module for 2018 – 2019 Update in Hospital Medicine contains 30 multiple-choice questions and is worth 10 MOC points. The primary purpose of the learning session is to facilitate completion of the ABIM MOC Medical Knowledge Module by board-certified internists in order to receive MOC credit. Expert faculty analyze each module question, review current evidence and key points and summarize clinical pearls. Session attendees actively participate using an audience response system and verbalize their understanding of current evidence.

After completion of this learning session, attendees can go online to obtain MOC credit from ABIM. An additional fee applies. For those not enrolled in ABIM's MOC program, the learning session provides an excellent opportunity to earn continuing medical education credit directly from Mayo Clinic.

LEARNING OBJECTIVES

Upon completion of this activity, participants should be able to:

- Discuss recent updates in hospital medicine
- Apply updated knowledge to clinical practice
- Complete the ABIM 2018 – 2019 Update in Hospital Medicine module which qualifies for MOC points
