RISE for Equity: Reflect, Inspire, Strengthen & Empower 2021
November 4-6, 2021

KATE EIFRIG

I have been a disability rights advocate for almost 10 years with such organizations as the Mayo Clinic, The Minnesota Council on Disability, Ampers radio, Land O' Lakes, and more. I've also been a presenter with the National Alliance of Mental Illness with community and educational audiences for many years. I currently work as a communications professional and am excited about what the next chapter holds!
