Dear Representative,

On behalf of Mayo Clinic and Mayo School of Continuous Professional Development, we are excited to announce “**Mayo Clinic Hospital Medicine: Managing Complex Patients**” will be held November 2-5, 2016 at The Omni Resort and Spa at Montelucia in Scottsdale, Arizona. We invite you and your company to join us and exhibit at this continuing medical education program. For your convenience, attached is our course brochure which includes the program schedule, presentation topics, faculty listing and lodging accommodations. The exhibit fee is \$2,750. Space is limited; early registration is encouraged.

As you know, the field of hospital medicine continues to grow and so does the complexity and management of hospitalized patients. Hospital-based health care providers require a diverse skill set to diagnose and manage a wide variety of clinical conditions, coordinate transitions of care, provide perioperative management to surgical patients and contribute to quality improvement and hospital administration. This program has been specifically designed to ensure participants augment their skill set to meet these challenges in an effort to enhance the delivery of health care and provide better patient outcomes.

We expect over 200 inpatient care providers including hospitalists and other physicians, nurse practitioners and physician assistants from across the United States to attend our program which features didactic presentations supplemented with case discussions and panel discussions. In addition to hospital-based providers, we typically have numerous internal medicine and family practitioners who have indicated previously the topics discussed were beneficial to their outpatient practice as well.

If you will participate in our course as an exhibitor, please complete the attached exhibitor agreement and return it with your payment (made payable to Mayo Clinic in Arizona) to Mayo School of Continuous Professional Development, Attn: Kristy Badder, 13400 East Shea Boulevard, Scottsdale, AZ 85259. Please denote activity #2016S343 on all correspondence. Mayo Clinic’s tax ID number is 86-0800150. Our W-9 form is attached for your convenience.

We hope you will join us for this exciting educational program in Scottsdale in November!
