

WELCOME!

Dear Potential Exhibitor:

On behalf of course directors Robert Shaddy, M.D.; Paul Kantor, M.D.; Jonathan Johnson, M.D.; Frank Cetta, M.D.; Benjamin Eidem, M.D.; and Bryan Cannon, M.D. we are pleased to announce the upcoming **2022 Pediatric and Adult Congenital Cardiology Review Course** to be held **August 21-26, 2022**.

The 2022 Pediatric & Adult Congenital Cardiology Review Course will be a comprehensive, state-of-the art review of all aspects of pediatric and adult congenital cardiology. Well-known experts in the fields of Pediatric Cardiology, Adult Congenital Heart Disease, Cardiac Anesthesia, Cardiac Intensive Care, Cardiac Pathology, and Cardiovascular Surgery will provide in-depth lectures, case presentations, and interactive discussions. This course will cover the wide spectrum of subspecialty content important to individuals preparing for certification in Pediatric Cardiology or Adult Congenital Heart Disease. A question-and-answer session with simulated board questions will be held each evening to review the daily course content as well as hone the participant's test-taking skills.

Mayo Clinic and Children's Hospital Los Angeles recognizes these types of educational programs would not be possible without your support. We invite you to participate in this educational activity with one of the following exhibit options:

- In-person exhibit table: \$2,500
- Virtual exhibit hall: \$2,000
- In-person exhibit table with a virtual exhibit hall: \$3,000
- In-person book vendor: \$600

In support of ACCME guidelines, on-site exhibitors and electronic promotional materials and activities will be separate from the educational program space.

If you are interested in participating in this course, please complete the Letter of Agreement Form. If you have not already done so, please create an account prior to signing our Letter of Agreement.
