Dear Exhibitor,

On behalf of course directors Winston Tan, M.D., Asher Chanan-Khan, M.D., Nicole Gannon, PA, and Victoria Alegria, A.R.N.P., we hope you will consider a display opportunity at our ***“Evidence-Based Hematologic Malignancy: Therapeutic Advances for Advanced Practice Providers and Nurses 2017”*** course held ***April 8, 2017***. We expect around 50 practicing hematologists, advanced practice practitioners, chemotherapy nurses, fellows, and community physicians. This course will utilize a case-based approach that will highlight the day-to-day challenges in the care and management of patients, specifically addressing the needs of these clinical practitioners. Attendees will leave with up-to-date, practical information which will have immediate clinical application. The most important clinical management questions in hematology therapeutics will be addressed in highly interactive sessions.

Display fees are \$1500 for the one-day course. Space is limited and table assignments will be made on a first come, first served basis depending on the date the signed exhibit agreement letter is received in our office.

Mayo Clinic, an integrated, not-for-profit group practice, is committed to meeting its responsibility as a national medical education resource and is accredited by the Accreditation Council for Continuing Medical Education to provide 7.0 AMA PRA Category 1 Credit(s)™ for this course.
